(Ord. 00-A.1(1), 7-5-00; Ord. 02-A.1(1), 12-11-02)

Sec. A.1-101. Purpose.

The board of supervisors finds that between 1974 and 1992, twenty-five thousand (25,000) acres of farmland in the county were lost to development; that at present, almost one-third of the acres of forest land in the county is considered by the Virginia Department of Forestry to be too densely populated for timber production; that regulatory land-use planning tools acceptable to date have not been able to stem the conversion of farm and forest land to other uses; and that farm and forest land, clean water and airsheds, biological diversity, scenic vistas and rural character have a public value as well as a private value. Therefore, the specific purposes of the ACE program include, but are not limited to:

1. Establishing a program by which the county can acquire conservation easements voluntarily offered by owners to serve as one means of assuring that the county’s resources are protected and efficiently used;
2. Establishing and preserving open-space and preserving the rural character of Albemarle County;
3. Preserving farm and forest lands;
4. Conserving and protecting water resources and environmentally sensitive lands, waters and other natural resources;
5. Conserving and protecting biodiversity and wildlife and aquatic habitat;
6. Assisting in shaping the character and direction of the development of the community;
7. Improving the quality of life for the inhabitants of the county; and
8. Promoting tourism through the preservation of scenic resources.

State law reference – Va. Code § 10.1-1700 et seq.

Sec. A.1-102. Applicability.

The ACE program shall be available for all lands in the county, except those lands under the ownership or control of the United States of America, the Commonwealth of Virginia, or an agency or instrumentality thereof. Any conservation easement acquired under the ACE program shall be voluntarily offered by the owner.

(Ord. 00-A.1(1), 7-5-00; Ord. 02-A.1(1), 12-11-02)

Sec. A.1-103. Definitions and construction.

A. The following definitions shall apply in the interpretation and implementation of the ACE program:

(1) *Conservation easement.* The term “conservation easement” means a nonpossessory interest in one or more parcels of one or more qualified easement holders under section A.1-109(E) acquired under the Open-Space Land Act (Virginia Code § 10.1-1700 *et seq.*), whether the easement is appurtenant or in gross, voluntarily offered by an owner and acquired by purchase pursuant to the ACE program, imposing limitations or affirmative obligations for the purpose of retaining or protecting natural or open-space values of the parcel or parcels, assuring availability for agricultural, forestal, recreational or open-space use, protecting natural resources, maintaining or enhancing air or water quality, or preserving the historical, architectural or archaeological aspects of the parcel or parcels.

(2) *Division rights.* The term “division rights” means the number of parcels into which a parcel could be divided and developed with a dwelling and all associated improvements and utilities, counting both those parcels less than twenty-one (21) acres in size and those twenty-one (21) acres in size or greater that could be created, by a by-right conventional development under the rural areas zoning district regulations stated in Section 10 of Chapter 18, Zoning, of the Albemarle County Code, where each potential parcel could comply with all applicable requirements of Chapter 14, Subdivision of Land, and Chapter 18, Zoning, of the Albemarle County Code. Each division right represents the right to build a single dwelling, regardless of whether it is a primary or secondary dwelling.

(3) *Family member.* The term “family member” means a great grandparent or any natural or legally defined descendant of a great grandparent of an owner, or any spouse of a great grandparent or of any natural or legally defined descendant of a great grandparent of an owner.

(4) *Forced sale.* The term “forced sale” means a sale of a parcel with unused development rights in a manner prescribed by law that is conducted under a judgment, order or the supervision of a court of competent jurisdiction, other than a sale arising from a partition action; a sale resulting from foreclosure under the laws of the Commonwealth of Virginia; or, a sale that is not the voluntary act of the owner but is compelled in order to satisfy a debt evidenced by a mortgage, judgment, or a tax lien.

(5) *Hardship.* The term “hardship” means an economic hardship, other than a circumstance causing a forced sale, experienced by the owner of the parcel so as to compel him to place a parcel with unused development rights for sale or to use such development rights.

(6) *Owner.* The term “owner” means the owner or owners of the freehold interest of the parcel.

(7) *Program administrator.* The term “program administrator” means the director of planning.

ALBEMARLE COUNTY CODE

(8) *Parcel.* The term “parcel” means a lot or tract of land, lawfully recorded in the clerk’s office of the circuit court of the County of Albemarle.

(9) *Retained division rights.* The term “retained division rights” means the number of parcels into which a parcel subject to a conservation easement may be divided as provided in section A.1-109(A).

B. *Construction.* Because a conservation easement may contain one or more parcels, for purposes of the ACE program the term “parcel” shall include all parcels covered by, or proposed to be covered by, the conservation easement.

Sec. A.1-104. Designation of program administrator; powers and duties.

A. *Designation.* The director of planning is hereby designated as the program administrator.

B. *Powers and duties.* The program administrator, or his designee, shall administer the ACE program and shall have the powers and duties to:

1. Establish reasonable and standard procedures and forms for the proper administration and implementation of the program.

2. Promote the program, in cooperation with the ACE committee, by providing educational materials to the public and conducting informational meetings.

3. Investigate and pursue, in conjunction with the county executive, state, federal and other programs available to provide additional public and private resources to fund the program and to maximize private participation.

4. Evaluate all applications to determine their eligibility and their ranking score, rank applications based on their ranking score, and make recommendations thereon to the ACE committee.

5. Determine the number of division rights existing on each parcel subject to an application, after obtaining the number of theoretical development rights from the zoning administrator.

6. Coordinate the preparation of appraisals.

7. Provide staff support to the appraisal review committee, the ACE committee and the board of supervisors.

8. Provide educational materials regarding other land protection programs to the public.

9. For each conservation easement, assure that the terms and conditions of the deed of easement are monitored and complied with by coordinating a monitoring program with each easement holder, and if the other easement holders are either unable or unwilling to do so, monitor and assure compliance with the terms and conditions of the deed of easement.

Sec. A.1-107. Eligibility criteria.

In order for a parcel to be eligible for a conservation easement, it must meet the following criteria: (i) the use of the parcel subject to the conservation easement must be consistent with the comprehensive plan; (ii) the proposed terms of the conservation deed of easement must be consistent with the minimum terms and conditions set forth in section A.1-109; and (iii) the parcel shall obtain at least twenty (20) points under the ranking criteria set forth in section A.1-108.

(Ord. 00-A.1(1), 7-5-00; Ord. 02-A.1(1), 12-11-02; Ord. 07-A.1(1), 12-5-07)

Sec. A.1-108. Ranking criteria.

In order to effectuate the purposes of the ACE program, parcels for which conservation easement applications have been received shall be ranked according to the criteria and the point values assigned as provided below. Points shall be prorated and rounded to the first decimal.

A. Open-space resources.

1. The parcel adjoins an existing permanent conservation easement, a national, state or local park, or other permanently protected open-space: two (2) points, with one (1) additional point for every five hundred (500) feet of shared boundary; or the parcel is within one-quarter (1/4) mile of, but not adjoining, an existing permanent conservation easement, a national, state or local park, or other permanently protected open-space: two (2) points.

2. Size of the parcel: zero (0) points for parcels of less than one hundred (100) acres; two (2) points for parcels of at least one hundred (100) acres; one (1) additional point for each fifty (50) acres over one hundred (100) acres; one (1) additional point for each fifty (50) acres over two hundred (200) acres.

1. Mountain protection: one (1) point for each fifty (50) acres in the mountain overlay district, as delineated in the comprehensive plan; an additional one (1) point may be awarded for each twenty (20) acres within a ridge area boundary. For purposes of this section, the term "ridge area boundary" means the area that lies within one hundred (100) feet below designated ridgelines shown on county mountain overlay district elevation maps. The deed restriction set forth in section A.1-109(B)(1) shall apply if the parcel is eligible for points under this criterion.

Sec. A.1-109. Easement terms and conditions.

Each conservation easement shall conform with the requirements of the Open-Space Land Act of 1966 (Virginia Code § 10.1-1700 *et seq.*) and of this appendix. The deed of easement shall be in a form approved by the county attorney, and shall contain, at a minimum, the following provisions:

A. *Restriction on division.* The parcel shall be restricted from division as follows: (i) if the parcel is less than one hundred (100) acres, it shall not be divided; (ii) if the parcel is one hundred (100) acres or larger but less than two hundred (200) acres, it may be divided into two (2) lots; (iii) if the parcel is two hundred (200) acres or larger, it may be divided into as many lots so as to maintain an average lot size of at least one hundred (100) acres, plus one additional lot for any acres remaining above the required minimum average lot size (*e.g.*, an eight hundred fifty (850) acre parcel may be divided into as many as nine (9) parcels, eight (8) of which maintain an average lot size of at least one hundred (100) acres, and the ninth of which consists of the remaining acres).

B. *Protection of conservation resources.* The deed of easement shall include the following restrictions if the owner is eligible for points under section A.1-108 for the resources identified therein:

1. *Mountain resources.* If the parcel is eligible for points in the evaluation process under section A.1-108(C)(1) for mountain protection, the deed of easement shall prohibit establishing all primary and accessory structures and other improvements, provided that one or more farm buildings or agricultural structures may be permitted within the mountain overlay district with the prior written approval from each grantee; the deed of easement also shall assure that the parcel is used and maintained in a manner consistent with the comprehensive plan as it pertains to mountain resources and, in particular, the Mountain Design Standards in the Natural Resources and Cultural Assets Component of the comprehensive plan.

2. *Scenic highways and byways.* If the parcel is eligible for points in the evaluation process under section A.1-108(C)(3) for adjoining a Virginia scenic highway or byway, the deed of easement shall provide that each new dwelling (a) have a two hundred fifty (250) foot setback from the edge of the right-of-way of the scenic highway or byway or (b) if within two hundred fifty (250) feet of the edge of the right-of-way of the scenic highway or byway, be sited in a location approved by each grantee prior to issuance of a building permit to assure that the dwelling is not visible from the scenic highway or byway at any time of the year.

3. *Stream buffers.* If the parcel is eligible for points in the evaluation process under section A.1-108(C)(8) for adjoining or containing perennial streams, the deed of easement shall provide for a stream buffer at least thirty-five (35) feet wide from the top of each bank of any perennial stream, as that term is defined in Chapter 17, Water Protection, of the Albemarle County Code. At a minimum, the deed of easement shall provide that within the stream buffer, there be:

(a) no livestock, except (i) during times of drought or other emergencies, (ii) for stream crossings, or (iii) for watering at limited access points;

(b) no buildings or other substantial structures constructed;

(c) no timber harvest(s); and

(d) no plowing, cultivation, filling, dumping, or other earth-disturbing activity, except as may be reasonably necessary for the limited permitted activities set forth in the deed.

4. *Scenic rivers.* If the parcel is eligible for points in the evaluation process under section A.1-108(C)(9) for adjoining or containing a Virginia scenic river, the deed of easement shall provide that each new dwelling (a) have a two hundred fifty (250) foot setback from the top of the subject stream bank or (b) if within two hundred fifty (250) feet of the top of the subject stream bank, be sited in a location approved by each grantee prior to issuance of a building permit to assure that the dwelling is not visible from the scenic river at any time of the year.

ALBEMARLE COUNTY CODE

5. *Historic resources.* If the parcel is eligible for points in the evaluation process under section A.1-108(C)(4) for sites of archaeological or architectural significance, the deed of easement shall provide that no such site shall be razed, demolished or moved until the razing, demolition or moving thereof is approved by each grantee.

C. *No buy-back option.* The owner shall not have the option to reacquire any property rights relinquished under the conservation easement.

D. *Other restrictions.* The parcel also shall be subject to standard restrictions contained in conservation easements pertaining to uses and activities allowed on the parcel. These standard restrictions shall be delineated in the deed of easement and shall include, but not necessarily be limited to, restrictions pertaining to: (i) the accumulation of trash and junk; (ii) the display of billboards, signs and advertisements; (iii) the management of forest resources; (iv) grading, blasting or earth removal; (v) the number and size of primary and secondary dwellings, non-residential outbuildings and farm buildings or structures; (vi) the conduct of industrial or commercial activities on the parcel; and (vii) monitoring of the easement.

E. *Designation of easement holders.* The county and one or more other public bodies, as defined in Virginia Code § 10.1-1700, and designated by the board of supervisors shall be the easement holders of each easement. The public body or bodies who may be designated by the board shall include, but not be limited to, the Albemarle County Public Recreational Facilities Authority and the Virginia Outdoors Foundation.

(Ord. 00-A.1(1), 7-5-00; Ord. 02-A.1(1), 12-11-02; Ord. 07-A.1(1), 12-5-07; Ord. 11-A.1(1), 5-4-11; Ord. 18-A.1(1), 9-12-18)

Sec. A.1-110. Application and evaluation procedure.

Each application for a conservation easement shall be processed as follows:

A. *Application materials to be provided to owner.* The application materials provided by the program administrator to an owner shall include, at a minimum, a standard application form, a sample deed of easement, and information about the ACE program.

B. *Application form.* Each application shall be submitted on a standard form prepared by the program administrator. The application form shall require, at a minimum, that the owner: (i) provide the name of all owners of the parcel, the address of each owner, the acreage of the parcel, the Albemarle County tax map and parcel number, the zoning designation of the parcel, and permission for the program administrator to enter the property after reasonable notice to the owner to evaluate the parcel and for the county assessor or an independent appraiser to appraise the property; and (ii) state his adjusted gross income for the three (3) prior tax years, as explained in section A.1-111(B). The application form shall also include a space for an owner to indicate that he volunteers to have the parcel be subject to greater restrictions than those contained in the standard sample deed of easement, and to delineate those voluntary, additional restrictions.

C. *Additional application information required by program administrator.* The program administrator may require an owner to provide additional information deemed necessary to determine: (i) whether the proposed easement is eligible for purchase; and (ii) the purchase price of the easement.

D. *Submittal of application.* Applications shall be submitted to the office of the program administrator. An application may be submitted at any time. However, applications received after October 31 shall be evaluated in the following year.

ALBEMARLE COUNTY CODE

E. *Evaluation by program administrator.* The program administrator shall evaluate each application received and determine within fifteen (15) days whether the application is complete. If the application is incomplete, the program administrator shall inform the owner in writing of the information that must be submitted in order for the application to be deemed complete. When an application is deemed complete, the program administrator shall determine whether the parcel satisfies the eligibility criteria set forth in section A.1-107 and, if it does, shall determine the number of points to be attributed to the parcel by applying the criteria set forth in section A.1-108. The program administrator shall then rank each parcel scoring at least fifteen (15) points, with the parcel scoring the most points being the highest ranked and descending therefrom and submit the list of ranked parcels to the ACE committee.

F. *Evaluation and ranking by ACE committee.* The ACE committee shall review the list of ranked parcels submitted by the program administrator and shall rank the parcels in the order of priority it recommends the easements shall be purchased. The committee shall then forward to the board of supervisors its recommendation of which conservation easements should be purchased.

G. *Evaluation and ranking by board of supervisors.* The board of supervisors shall review the list of ranked parcels submitted by the ACE committee and identify on which parcels it desires conservation easements. The board shall then rank those parcels on which it will seek to purchase conservation easements. Nothing in this appendix shall obligate the board to purchase a conservation easement on any property that meets the minimum number of qualifying points.

H. *Appraisal of conservation easement value.* Each conservation easement identified by the board of supervisors to be purchased shall be appraised either by the county assessor or by an independent qualified appraiser chosen by the county. Each completed appraisal shall be submitted to the program administrator and the owner. The program administrator shall forward each appraisal to the appraisal review committee, which shall review each appraisal and make recommendations thereon to the board of supervisors.

I. *Requirements and deadlines may be waived.* Any requirement or deadline set forth in this appendix may be waived by the board of supervisors if, for good cause, it is shown that exigent circumstances exist to warrant consideration of an otherwise untimely application, or it is shown that the requirements unreasonably restrict the purchase of an easement. Under these circumstances, the board may purchase a conservation easement at any time it deems necessary and subject to only those requirements it deems appropriate.

J. *Reapplication.* An owner whose parcel is not selected for purchase of a conservation easement may reapply in any future year.

(Ord. 00-A.1(1), 7-5-00; Ord. 02-A.1(1), 12-11-02; Ord. 04-A.1(2), 12-8-04)

Sec. A.1-111. Purchase of conservation easement.

Each conservation easement shall be purchased as follows:

A. *Identification of initial pool.* From the list of applications received under section A.1-110(D), the board of supervisors shall designate the initial pool of parcels identified for conservation easements to be purchased. The purchase price may be supplemented by non-county funding. The size of the pool shall be based upon the funds available for easement purchases in the current fiscal year and the purchase price of each conservation easement in the pool established under section A.1-111(B).

B. *Determining purchase price.* The purchase price of a conservation easement shall be calculated by multiplying the appraised value by the applicable percentage of appraised value set forth in the table below. The average annual adjusted gross income shall be determined as follows:

1. *Single individual.* If the parcel is owned by a single owner of record who is a natural person (an "individual"), the average annual adjusted gross income shall be the average of that

ALBEMARLE COUNTY CODE

individual’s federal adjusted gross income for the three (3) preceding tax years. For purposes of this calculation, the federal adjusted gross income of a spouse (provided that the individual and the spouse file joint returns) or dependent child (provided that the child is claimed on the individual’s federal income tax return) of an individual shall be included in that individual’s federal adjusted gross income.

2. *Multiple individuals, C-corporations having ten or fewer shareholders, S-corporations, partnerships, limited liability companies, trusts, or estates.* If the parcel is owned by more than one owner of record who is an individual or is owned by a C-corporation having ten (10) or fewer shareholders, S-corporation, partnership, limited liability company, trust, estate (an “entity”) or any combination thereof, the average annual adjusted gross income shall be based on a weighted average of federal adjusted gross income for the three (3) preceding tax years. The weighted average for each tax year shall be calculated by multiplying each individual’s respective percentage ownership interest in the parcel or in the entity by that person’s federal adjusted gross income, and then adding together the results. For purposes of this calculation, the federal adjusted gross income of a spouse (provided that the individual and the spouse file joint returns) or dependent child (provided that the child is claimed on the individual’s federal income tax return) of an individual shall be included in that individual’s federal adjusted gross income.

3. *C-corporations having more than ten shareholders and other entities not identified in subsection 2.* If the parcel is owned by a C-corporation having more than ten (10) shareholders or another entity not identified in subsection 2, the average annual adjusted gross income shall be the average of that C-corporation’s or other entity’s federal adjusted gross income for the three (3) preceding tax years.

ALBEMARLE COUNTY CODE

D. *Offer to sell.* Each owner who desires to sell and/or donate a conservation easement shall submit a written offer that must be received by the program administrator by the date contained in the invitation to offer to sell. The offer should include a statement substantially stating the following: “(The owner) offers to sell and/or donate a conservation easement to the County of Albemarle, Virginia for the sum of (purchase price), subject to the terms and conditions set forth in the proposed deed of easement enclosed with the invitation to offer to sell.” Nothing in this appendix shall compel an owner to submit an offer to sell.

E. *Acceptance.* An offer to sell a conservation easement shall be accepted by the board of supervisors only in writing, and only following an action by the board authorizing acceptance. An offer shall not be accepted by the board if the proposed easement would be inconsistent with the policies and goals of the comprehensive plan at the time the offer is received. Nothing in this appendix requires the board to accept an offer to sell a conservation easement.

F. *Easement established.* A conservation easement shall be established when the owner and an authorized representative of the holder of the easement have each signed the deed of easement. The deed shall be recorded in the office of the clerk of the circuit court of the County of Albemarle. A single conservation easement may be established for more than one parcel under the same ownership.

G. *Offers not made; offers not accepted; invitation to other owners.* If an owner invited to submit an offer elects not to do so, or if his offer to sell is not accepted by the board of supervisors, then the board shall send an invitation to offer to sell to the owner of the next highest ranked parcel remaining on the list of parcels identified in section A.1-110(E).

H. *Costs.* If the board of supervisors accepts an offer to sell, the county shall pay all costs, including environmental site assessments, surveys, recording costs, grantor’s tax, if any, and other charges associated with closing. Provided, however, the county shall not pay fees incurred for independent appraisals, legal, financial, or other advice, or fees in connection with the release and subordination of liens to the easement purchased by the county.

I. *Reapplication.* An owner who fails to submit an offer to sell or whose offer to sell was not accepted may reapply in any future year.
