Dear Mr. Wade,

On behalf of the Camellia Garden Homeowners Association (CGHOA) I am requesting a sign be installed on Albert Court warning drivers to **"Slow Down, Watch for Children Playing"**.

CGHOA is comprised of all homeowners on Albert Court, which is a horseshoe-shaped street off Whitewood Drive comprised of fifteen residential duplex structures on thirty lots. As the property lots are so small and there is no open area in which the neighborhood children can play, they ride their bicycles and play ball and other games in the street. Due to the curved shape of the street and because there is unrestricted parking along both sides of the street, line-of-sight visibility is very limited and residents fear that drivers moving too fast may not be able to react to children darting after a ball or veering into the street on their bikes.

Attached for your convenience is graphic representation of our street.

If you have any questions or require further information, please feel free to contact me at (434) 973-9438.

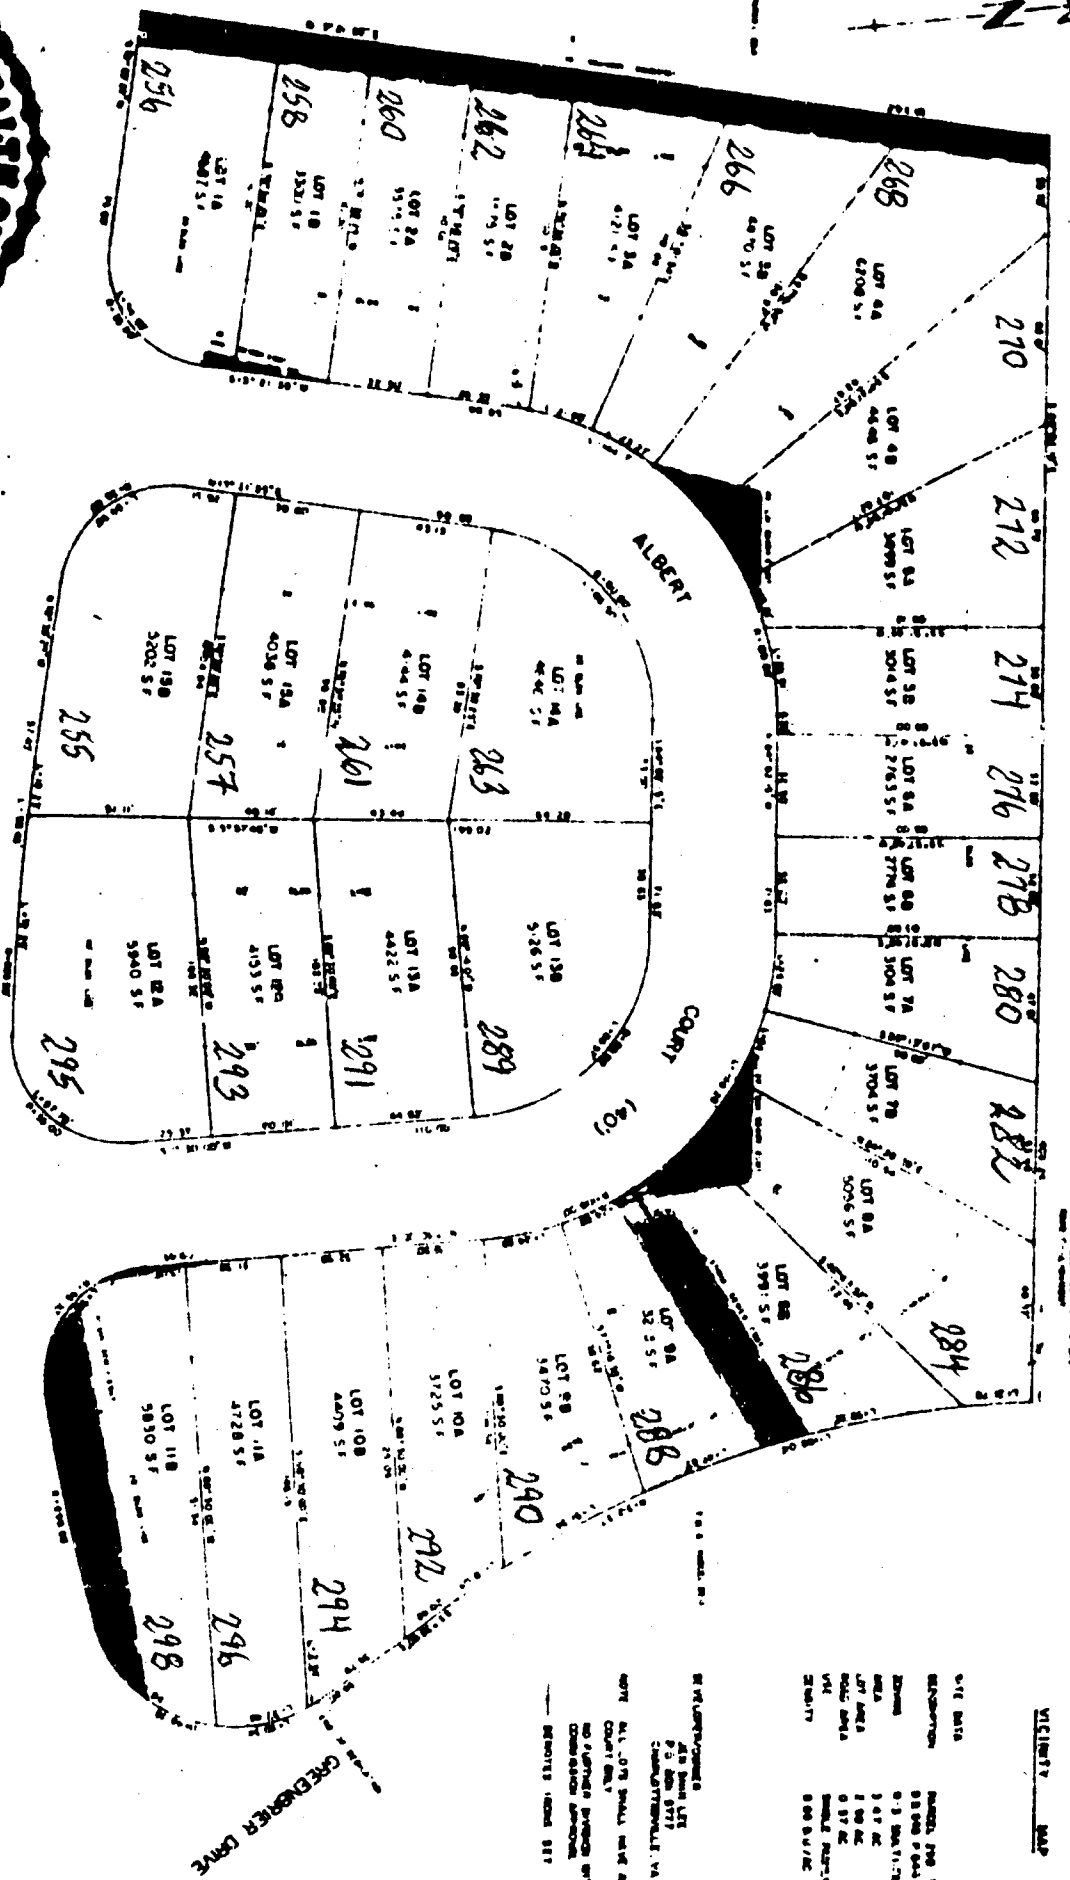

Thank you in advance for your kind consideration of our proposal.

Sincerely,

Christine Bendas
