Site Plan for a new Free Clinic on a portion of the Charlottesville Albemarle Health Department property in Charlottesville Virginia  
 Scale 1"=20'-0"

\* 1 space per 500 gross sf for "business use". For "clinics" the requirement is 1 space per 400 gross sf. Assuming 100% clinical use the required parking for both buildings is: 42,800 ÷ 400 = 107 spaces
