Dear Mr. Wade,

On behalf of the Mill Creek Homeowner's Association and some concerned residents, I would like to request a "Slow Children at Play" sign for our neighborhood. We would like the sign to be placed on Gristmill Drive near its intersection with Southern parkway. Cars often turn the corner on to Gristmill and rapidly speed up the hill. There is a concentration of children that live in this area on Gristmill Mill Dr and Spring Mountain Court that ride their bikes, and play in the yard near Gristmill Dr. This sign would at least warn cars to be watchful for children.

Thank you for your attention to this matter and your quick response to my initial inquiry.

Sincerely,

Barbara Mann
Secretary
