Dear Mr Slack,

Thank you for meeting regarding the street name change of Zack Ln at Ivy Creek Subdivision, located off 250 west on Broomley road. As you are aware of the full history of the name change of Zack Lane, I will not go into the detail of how or why, suffice to say it has been a little frustrating and the residents will be happy to see this situation resolved as soon as possible.

In brief then, Zack Lane was changed in June of 06' to Native meadow Rd. At the time of writing this letter neither the 911 emergency services or your online county records show native Meadow Rd. This is good as the residents do not wish to have the name "Native meadow Rd" but wish to keep "ZACK Ln".

We do so request now in writing that the County of Albemarle change the street named "Native meadow Rd" back to "ZACK Ln" as soon as possible. The street in question is located off Broomley road, which itself intersects with 250west.

Please find a list of the residents attached that own the property along Zack lane (Native meadow Rd) with signatures and tax map parcel numbers. There are a total of five (5) properties adjoining Zack lane (Native meadow Ln) and the Signitures below represent well over the required 50% of property owners to change a street name in Albemarle County. Ms Kay F Bechtel is unfortunately away at present but aware of the change.

Sincerely,

Simon R. Harvey
