

County of Albemarle Bridge Priorities – Received from VDOT January 29, 2007

Below are the priority bridge projects for the secondary road system in Albemarle County as established by the VDOT District Office. Priorities are based primarily on bridge sufficiency ratings and eligibility for federal funding for bridge improvements. None of these projects are not on the National Highway System. Albemarle does not have any bridges on the NHS at this time that qualifies for federal funds.

This is the VDOT District priorities:

1. Rte. 743 Advance Mills Road over the North Fork Rivanna River
2. Rte. 708 Dry Bridge Road over the Buckingham Branch RR
3. Rte. 606 Dickerson Road over the North Fork Rivanna River
4. Rte. 606 Dickerson Road over Jacobs Run.

These bridges are the Districts priorities for replacement and will qualify for federal funding with a 20% state match.
