Happy New Year - This email is in reference to ZMA2007-00021 Cavalier MIni Storage, Tax Map 78, Parcel 36. I am a homowner of two lots(Parcel 34/35) and I am NOT in favor you building a Mini Storage on Parcel 36. My reason being is that it will lower the residential area. And not good for the neighbors. If you have any other questions please feel free to call. I will not be able to attend the meeting on February 5, 2008. But my vote will be NO. Dolores R. Wallace
