RE: Letter May 12-2009 Denial of plat. SUB-2008-100 Wyant Family Division TM- 26-P- 42

As allowed in section 226 of chapter 14 of the Albemarle County Code I appeal this denial to the board of supervisors.

I am being required to provide something that I have no power to provide. I do not own the entrance to my right of way.

I have the required sight distance, but I can't provide a deeded sight easement.

This division will create no more traffic at this entrance. All allowed development has already taken place.

When we applied for building permits for my daughter's house [2004] we were told this existing entrance was ok for a family division.

After the home was built we were told the rules have changed the entrance requires VDOT approval

VDOT will not approve this entrance without a deeded sight easement.

This is a safe entrance; my family has used it since [1929]

I ask that you allow me to give my daughter the land her house is on.

Thank you
