Meeting Goals

Continue to refine the Master Plan’s Guiding Principles from the first Community Workshop by:

• Beginning to define Crozet’s “small town feel” – including its architectural heritage and community.
• Identifying Crozet’s important places and centers, and how they connect to their surrounding areas.
• Understanding how to support opportunities for people of all means to live & work in Crozet.
Is a small town defined by its architectural heritage?
Is a small town defined by its industry?
Is a small town defined by its can-do attitude?
How do we honor Crozet’s heritage while looking to the future?
