Division 1. Zoning Text Amendments

Sec. 33.1 Introduction.

This division establishes the procedures and requirements for amending the text of this chapter by adopting an ordinance (as used in this division, a “zoning text amendment”). The Board of Supervisors may adopt a zoning text amendment whenever the public necessity, convenience, general welfare, or good zoning practices requires. The Commission shall consider these bases when making a recommendation on a zoning text amendment.

§ 33.1: (§ 33.1: Ord. 12-18(7), 12-5-12, effective 4-1-13 (§ 33.0, 12-10-80; Ord. 01-18(6), 10-3-01)(§ 33.1, 12-10-80)+§ 33.2: Ord. 12-18(7), 12-5-12, effective 4-1-13 (§ 33.0, 12-10-80; Ord. 01-18(6), 10-3-01)(§ 33.1, 12-10-80) (§ 33.2, 12-10-80)(§§ 33.2.1, 33.2.2, 33.2.3, 12-10-80; 5-5-82)(§ 33.10.2, 12-10-80, 3-10-93)+§ 33.6: Ord. 12-18(7), 12-5-12, effective 4-1-13; § 33.9, 12-10-80); § 33.1, Ord. 18-18(3), 9-5-18]

Sec. 33.2 Initiating a zoning text amendment.

A zoning text amendment may be initiated as follows:

A. By the Board of Supervisors. The Board of Supervisors may initiate a zoning text amendment by adopting a resolution. Any County resident may request any Board member to ask the Board to initiate a zoning text amendment, or may directly request the Board to initiate a zoning text amendment.

B. By the Commission. The Commission may initiate a zoning text amendment by adopting either a motion or a resolution.

§ 33.2: (§ 33.2: Ord. 12-18(7), 12-5-12, effective 4-1-13 (§ 33.0, 12-10-80; Ord. 01-18(6), 10-3-01)(§ 33.1, 12-10-80)(§ 33.2, 12-10-80)(§§ 33.2.1, 33.2.2, 33.2.3, 12-10-80; 5-5-82)(§ 33.10.2, 12-10-80, 3-10-93); § 33.2, Ord. 18-18(3), 9-5-18]

Sec. 33.3 Work sessions, stakeholder meetings, community meetings, and other public engagement.

The Director of Planning may schedule work sessions before the Board of Supervisors, the Commission, and the Architectural Review Board, if applicable. The Director is also authorized to hold stakeholder meetings, community meetings, and other forms of public engagement, as the Director determines to be appropriate or as directed by the Board of Supervisors or the Commission, to consider any proposed zoning text amendment.

§ 33.3: (§ 33.3: Ord. 12-18(7), 12-5-12, effective 4-1-13 (§ 33.4, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.5, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.8, 12-10-80; 6-19-96)(§ 33.8.1, 12-10-80, 6-19-96; Ord. 01-18(6), 10-3-01)(§§ 33.10, 33.10.1, 12-10-80)); § 33.3, Ord. 18-18(3), 9-5-18]
Sec. 33.4 Public hearings; notice.

Public hearings on a proposed zoning text amendment are required as follows:

A. *When public hearings are required.* The Commission shall hold at least one public hearing before it makes its recommendation to the Board of Supervisors. After the Board receives the recommendation from the Commission, it shall hold at least one public hearing before acting.

B. *Notice of public hearings, generally.* The Department of Community Development shall provide notice of the public hearings before the Commission and the Board pursuant to Virginia Code § 15.2-2204.

C. *Notice of public hearings, imposing or increasing fees.* The Department of Community Development shall provide notice of the public hearings before the Commission and the Board of Supervisors pursuant to Virginia Code §§ 15.2-107 and 15.2-2204 if the proposed zoning text amendment would impose or increase fees under this chapter.

The Commission shall act on a proposed zoning text amendment as follows:

A. *Recommendation.* The Commission shall either recommend approval of the zoning text amendment as proposed, approval of the zoning text amendment with recommended changes to the text, or disapproval.

B. *Factors to be considered.* In making its recommendation, the Commission shall consider the same factors considered by the Board of Supervisors pursuant to Section 33.6.

C. *Time for recommendation.* The Commission shall make its recommendation on the proposed zoning text amendment within 90 days after the first Commission meeting at which it is considered. The Commission’s failure to make a recommendation within the 90-day period is deemed to be a recommendation of approval, unless the Commission extends the 90-day period. If the Commission extends the 90-day period, the Board may at any time direct the Commission to make a recommendation before the deadline established by the Board.

Sec. 33.6 Action by the Board of Supervisors.

The Board of Supervisors shall act on a proposed zoning text amendment as follows:

A. *Action.* The Board may either adopt the zoning text amendment, defer action to allow further amendments to the text to be made, not adopt the zoning text amendment, or refer the matter back to the Commission for further consideration and recommendation within the time for an action provided in subsection (C).

B. *Factors to be considered.* In acting on a zoning text amendment, the Board shall reasonably consider the following factors: (i) the existing use and character of property; (ii) the Comprehensive Plan; (iii) the suitability of property for various uses; (iv) the trends of growth or change; (v) the current and future requirements of the community as to land for various purposes as determined by population and economic studies and other studies;

(vi) the community’s transportation requirements; (vii) the requirements for airports, housing, schools, parks, playgrounds, recreation areas, and other public services; (viii) the conservation of natural resources; (ix) preserving flood plains; (x) protecting life and property from impounding structure failures; (xi) preserving agricultural and forestal land; (xii) conserving properties and their values; and (xiii) encouraging the most appropriate use of land throughout the County. The Board’s failure to expressly consider all of these factors does not invalidate its action.

C. Time for action. The Board shall act on a zoning text amendment within a reasonable period as may be necessary not to exceed 12 months after the first meeting at which it was considered by the Commission, unless the Board extends the 12 month period.

§ 33.6: (§ 33.3: Ord. 12-18(7), 12-5-12, effective 4-1-13 (§ 33.4, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.5, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.8, 12-10-80; 6-19-96)(§ 33.8.1, 12-10-80, 6-19-96; Ord. 01-18(6), 10-3-01)(§§ 33.10, 33.10.1, 12-10-80))§ 33.6: Ord. 12-18(7), 12-5-12, effective 4-1-13; § 33.9, 12-10-80; § 33.6, Ord. 18-18(3), 9-5-18]

Division 2. Zoning Map Amendments Initiated by the County

Sec. 33.7 Introduction.

This division establishes the procedures and requirements for amending the zoning map when the proposed amendment is initiated by the County (as used in this division, a “zoning map amendment”). The Board of Supervisors may adopt a zoning map amendment whenever the public necessity, convenience, general welfare, or good zoning practice requires.

§ 33.7: (§ 33.1: Ord. 12-18(7), 12-5-12, effective 4-1-13(§ 33.0, 12-10-80; Ord. 01-18(6), 10-3-01)(§ 33.1, 12-10-80)(§§ 33.2, 12-10-80)(§§ 33.2.1, 33.2.2, 33.2.3, 12-10-80; 5-5-82)(§ 33.10, 12-10-80, 3-10-93))§ 33.6: Ord. 12-18(7), 12-5-12, effective 4-1-13; § 33.9, 12-10-80; § 33.7, Ord. 18-18(3), 9-5-18]

Sec. 33.8 Initiating a zoning map amendment.

A zoning map amendment may be initiated by the County as follows:

A. By the Board of Supervisors. The Board of Supervisors may initiate a zoning map amendment by adopting a resolution.

B. By the Planning Commission. The Planning Commission may initiate a zoning map amendment by adopting either a motion or a resolution.

§ 33.8: (§ 33.2: Ord. 12-18(7), 12-5-12, effective 4-1-13(§ 33.0, 12-10-80; Ord. 01-18(6), 10-3-01)(§ 33.1, 12-10-80)(§§ 33.2.1, 33.2.2, 33.2.3, 12-10-80; 5-5-82)(§ 33.10.2, 12-10-80, 3-10-93)); § 33.8, Ord. 18-18(3), 9-5-18]

Sec. 33.9 Work sessions, stakeholder meetings, community meetings, and other public engagement.

The Director of Planning may schedule work sessions before the Board of Supervisors, the Commission, and the Architectural Review Board, if applicable. The Director is also authorized to hold stakeholder meetings, community meetings, and other forms of public engagement, as the Director determines to be appropriate or as directed by the Board of Supervisors or the Commission, to consider any proposed zoning map amendment initiated by the County.

Sec. 33.10 Public hearings; notice.

Public hearings on a proposed zoning map amendment are required as follows:

A. When public hearings are required. The Commission shall hold at least one public hearing before it makes its recommendation to the Board of Supervisors. After the Board receives the recommendation from the Commission, it shall hold at least one public hearing before acting.

B. Notice of public hearings. Notice of the public hearings shall be provided as follows:

1. Published and mailed notice. The Department of Community Development shall provide notice of the public hearings before the Commission and the Board as required by Virginia Code §§ 15.2-2204 and 15.2-2285(C).

2. Posted notice. The Department of Community Development shall post notice of the public hearings by posting one or more signs as follows:

   a. When a sign must be posted. The sign shall be posted at least 21 days before the Commission’s public hearing and shall remain posted until the Board has acted on the zoning map amendment.

   b. Where a sign is to be located. The sign shall be erected within 10 feet of each boundary line of the parcel(s) that is the subject of the zoning map amendment abutting a street and shall be placed so that it is clearly visible from the street. If more than one street abuts the parcel(s), then either: (i) a sign shall be erected in the same manner as above for each abutting street; or (ii) if the area of the parcel(s) to be used if the zoning map amendment is approved is confined to a particular portion of the parcel(s), a sign erected in the same manner as above for the abutting street that is in closest proximity to, or would be impacted by, the proposed use. A sign need not be posted along Interstate 64 or along any abutting street if the sign would not be visible from that street. If no street abuts the parcel(s), then signs shall be erected in the same manner as above on at least two boundaries of the parcel(s) abutting land that is not subject to the zoning map amendment in locations that are most conspicuous to the public. Before posting a sign on a parcel, the Zoning Administrator shall obtain the consent of the owner to do so if the parcel is not owned by the County.

   c. Content of a sign. Each sign shall state that the parcel(s) is subject to a public hearing and explain how to obtain additional information about the public hearing.

   d. Maintaining the sign. The County shall endeavor to protect each sign from vandalism and theft, maintain each sign in an erect position in its posted location, and ensure that each sign remains legible.

   e. Ownership of a sign; violation for removing or tampering with a sign. Each sign is the property of the County. It is unlawful for any person to remove or tamper with any sign, except the County or its employees or authorized agents performing maintenance required by this subsection.

   f. Effect of failure to comply. If the Department of Community Development fails to post any sign required by this subsection (B)(2):

      1. Prior to action by the Board. The Board may defer acting on a zoning text amendment if it finds that the failure to comply with this subsection materially deprived the public of reasonable notice of the public hearing.
2. *Action is not invalid.* Neither the Commission’s recommendation nor the Board’s approval of a zoning map amendment is invalid solely because of the failure to post notice as required by this subsection.

[§ 33.10: (§ 33.3: Ord. 12-18(7), 12-5-12, effective 4-1-13 (§ 33.4, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.5, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.8, 12-10-80; 6-19-96)(§ 33.8.1, 12-10-80, 6-19-96; Ord. 01-18(6), 10-3-01)(§§ 33.10, 33.10.1, 12-10-80)+)(§ 33.4: § 33.2, 12-10-80)(§ 33.4.4, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.5, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.6, 12-10-80)(§ 33.7, 12-10-80, 6-19-96; Ord. 01-18(6), 10-3-01)(§ 33.8.2, 12-10-80, 6-19-96)(§ 33.8.3, 12-10-80, 6-19-96); §33.4. Sec. 33.11 Recommendation by the Planning Commission.

The Commission shall act on a proposed zoning map amendment as follows:

A. *Recommendation.* The Commission shall either recommend approval of the zoning map amendment as proposed, approval of the zoning map amendment with recommended changes, or denial of the application.

B. *Factors to be considered.* In making its recommendation, the Commission shall consider the same factors considered by the Board of Supervisors pursuant to section 33.12.

C. *Time for recommendation.* The Commission shall make its recommendation on the proposed zoning map amendment within 90 days after the first Commission meeting at which it is considered. The failure of the Commission to make a recommendation on the matter within the 90-day period shall be deemed to be a recommendation of approval, unless the Commission extends the 90-day period.

[§ 33.11: (§ 33.3: Ord. 12-18(7), 12-5-12, effective 4-1-13 (§ 33.4, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.5, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.8, 12-10-80; 6-19-96)(§ 33.8.1, 12-10-80, 6-19-96; Ord. 01-18(6), 10-3-01)(§§ 33.10, 33.10.1, 12-10-80)+)(§ 33.6: Ord. 12-18(7), 12-5-12, effective 4-1-13; § 33.9, 12-10-80); § 33.11, Ord. 18-18(3), 9-5-18]

Sec. 33.12 Action by the Board of Supervisors.

The Board of Supervisors shall act on a proposed zoning map amendment as follows:

A. *Action.* The Board may either adopt the zoning map amendment, deny the application for a zoning map amendment, or refer the matter back to the Commission for further consideration and recommendation within the time for an action provided in subsection (C). The Board may not adopt a zoning map amendment allowing a more intensive use, or including more land, than was contained in the public notice without an additional public hearing after notice is provided pursuant to Virginia Code §§ 15.2-2204 and 15.2-2285(C).

B. *Factors to be considered.* In acting on a zoning map amendment, the Board shall reasonably consider the following factors: (i) the existing use and character of property; (ii) the Comprehensive Plan; (iii) the suitability of property for various uses; (iv) the trends of growth or change; (v) the current and future requirements of the community as to land for various purposes as determined by population and economic studies and other studies; (vi) the community’s transportation requirements; (vii) the requirements for airports, housing, schools, parks, playgrounds, recreation areas, and other public services; (viii) the conservation of natural resources; (ix) preserving flood plains; (x) protecting life and property from impounding structure failures; (xi) preserving agricultural and forestal land; (xii) conserving properties and their values; and (xiii) encouraging the most appropriate use of land throughout the County. The Board’s failure to expressly consider all of these factors does not invalidate its action.
C. *Time for action.* The Board shall act on a zoning text amendment within a reasonable period as may be necessary, not to exceed 12 months after the first meeting at which it was considered by the Commission, unless the Board extends the 12 month period.

[§ 33.12: (§ 33.3: Ord. 12-18(7), 12-5-12, effective 4-1-13 (§ 33.4, 12-10-80; Ord. 01-18(2), 3-19-03)(§ 33.5, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.8, 12-10-80; 6-19-96)(§ 33.8.1, 12-10-80, 6-19-96; Ord. 01-18(6), 10-3-01)(§§ 33.10, 33.10.1, 12-10-80)+§ 33.4; § 33.2, 12-10-80)(§ 33.4, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.5, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.6, 12-10-80)(§ 33.7, 12-10-80, 6-19-96; Ord. 01-18(6), 10-3-01)(§ 33.8, 12-10-80, 6-19-96; §§ 33.8.1, 12-10-80, 6-19-96; Ord. 01-18(6), 10-3-01)(§ 33.8.2, 12-10-80, 6-19-96)(§ 33.8.3, 12-10-80, 6-19-96; § 33.4, Ord. 12-18(7), 12-5-12, effective 4-1-13; Ord. 14-18(2), 3-5-14; Ord. 16-18(3), 4-6-16; Ord. 16-18(4), 4-6-16)+§ 33.6; Ord. 12-18(7), 12-5-12, effective 4-1-13; § 33.9, 12-10-80; § 33.12, Ord. 18-18(3), 9-5-18]

**Division 3. Zoning Map Amendments Initiated by an Owner**

Sec. 33.13 Introduction.

This division establishes the procedures and requirements for amending the zoning map when the amendment is initiated by an owner or other persons authorized by Section 33.15 (as used in this division, a “zoning map amendment”). The Board of Supervisors may adopt a zoning map amendment whenever the public necessity, convenience, general welfare, or good zoning practice requires.

[§ 33.13: (§ 33.1: Ord. 12-18(7), 12-5-12, effective 4-1-13 (§ 33.0, 12-10-80; Ord. 01-18(6), 10-3-01)(§ 33.1, 12-10-80)+§ 33.2; Ord. 12-18(7), 12-5-12, effective 4-1-13 (§ 33.0, 12-10-80; Ord. 01-18(6), 10-3-01)(§ 33.1, 12-10-80)(§ 33.2, 12-10-80)(§§ 33.2.1, 33.2.2, 33.2.3, 12-10-80, 5-5-82)(§ 33.10.2, 12-10-80, 3-10-93)+§ 33.6: Ord. 12-18(7), 12-5-12, effective 4-1-13; § 33.9, 12-10-80; § 33.13, Ord. 18-18(3), 9-5-18]

Sec. 33.14 Pre-application meeting.

Any prospective applicant for a zoning map amendment shall request and hold a meeting with the Department of Community Development before filing an application to the County. This meeting is referred to as the “pre-application meeting.”

A. *Submitting information.* The applicant shall complete and submit information on County-provided forms before or during the pre-application meeting.

B. * Purposes for a pre-application meeting.* The purposes for a pre-application meeting are to: (i) provide the applicant and the County a common understanding of the proposed project; (ii) inform the applicant about the proposed project’s consistency with the Comprehensive Plan, other relevant policies, and County regulations; (iii) broadly identify the planning, zoning, and other issues raised by the application that need to be addressed by the applicant; (iv) inform the applicant about the applicable procedure; and (v) allow the Director of Planning to identify the information the applicant must submit with the application pursuant to Sections 33.16 through 33.19.

C. *When a pre-application meeting is not required.* The Director may exercise discretion and decide that a pre-application meeting is not required upon considering the following: (i) whether the proposed use, the proposed density, the proposed scale, potential impacts, and other relevant considerations applying sound zoning principles do not warrant a pre-application meeting; (ii) whether the information that may be required pursuant to Sections 33.16 through 33.19 can be identified without the meeting; (iii) whether the application would be one of a recurring nature for which the required information and the issues raised are well-established for the proposed application; and (iv) whether the application raises any complex issues that create the need for the meeting.

Each application for a zoning map amendment is subject to the following:

A. **Who may file an application.** An owner, a contract purchaser with the owner’s consent, or the owner’s authorized agent may file an application for a zoning map amendment (collectively in this division, the “owner” or the “applicant”). In addition:

1. **Amendments to existing proffers.** Proffers that have been accepted by the Board of Supervisors in conjunction with a zoning map amendment may be amended by a later zoning map amendment. An owner whose parcel is subject to proffers may apply to amend the proffers applicable solely to that owner’s parcel. An application to amend proffers is subject to the procedures and requirements of this division, provided that the requirements described below may be waived if the proposed amendment solely pertains to amending proffers that do not affect conditions of use or density and, following consultation with the Director of Planning, the applicant submits a request to the Clerk of the Board before submitting its application for a zoning map amendment:

   a. **Waiving the requirement for public hearings.** The Board may waive the requirement for a public hearing by the Commission or by the Board, or both, and the associated notice requirements, as otherwise required by this division; and, if the Board waives the requirement for a public hearing by the Commission, it also may waive the requirement for a recommendation from the Commission.

   b. **Waiving procedural requirements.** The Board may waive one or more of the procedural requirements in Sections 33.14, 33.22, and 33.23.

   c. **Waiving application requirements.** The Board may waive any supplemental information which may otherwise be required to be submitted with an application under Sections 33.16 through 33.19, and determine the number of copies of the application that must be filed.

2. **Amendments to existing planned developments.** An owner within an existing planned development may apply for a zoning map amendment applicable solely to that owner’s parcel if it would not result in or require: (i) a change in use, density, or intensity on any other parcel in the planned development; (ii) a change to any regulation in a code of development that would apply to any other parcel in the planned development; (iii) a change to any other owner’s express obligation under a regulation in a code of development; or (iv) a change to the application plan that would apply to any other parcel in the planned development.

B. **Who must sign an application.** The application shall be signed by the owner of each parcel that is the subject of the proposed zoning map amendment. In addition:

1. **Amendments to existing proffers.** The signatures of the owners of any other parcels subject to the same proffers are not required when an owner applies to amend the proffers applicable solely to its parcel.

2. **Amendments to existing planned developments.** The signatures of any other owners within an existing planned development are not required if the owner-applicant is eligible to apply for a zoning map amendment applicable solely to its parcel as provided in subsection (A)(2).

C. **Documentation regarding the authority to apply.** The Director of Planning may require the applicant to submit documentation establishing ownership of any parcel that is the subject of the application and the authority of each signatory to sign the application on behalf of the owner.
D. **Application forms.** The Director of Planning may establish appropriate application forms for zoning map amendments. The application forms may identify the information required to be provided pursuant to Sections 33.16 through 33.19.

E. **Information submitted with an application.** Each application shall include the information identified in Sections 33.16 through 33.19, as applicable, provided that the Director of Planning may, upon written request received from the owner, determine that the owner is not required to provide certain information, depending on: (i) the nature or extent of the proposed zoning map amendment; (ii) the proposed use; (iii) the proposed density; (iv) the proposed district; (v) whether the application is to establish or amend a planned development district, including a neighborhood model district; and (vi) other considerations the Director determines to be relevant applying sound zoning principles.

A. **Where to file.** The application shall be filed in the Department of Community Development.

B. **Number of copies to file.** The Director of Planning may establish for each class of application the number of collated copies of the application required to be filed, to accept electronic applications for filing, or both.

C. **Determining completeness of the application.** The Director of Planning shall review each filed application as follows:

1. **Timing of the determination of completeness.** The Director shall determine whether an application is complete within 10 days after the application was received. An application that provides all of the required information shall be determined to be complete and be accepted for review and decision. An application omitting any required information is incomplete and shall be deemed to not be filed and shall not be accepted for review and action.

2. **Informing an applicant if the application is incomplete.** If the Director determines that an application is incomplete, he shall inform the applicant by letter identifying what information must be submitted in order for the application to be complete. The letter shall be sent by first class mail or, if consented to by the applicant in writing, by fax or email (collectively, “sent”), or be personally delivered. The letter shall be sent or personally delivered within 10 days after the application was received.

3. **Effect if a timely determination is not made.** If the Director does not send or personally deliver the letter as provided in subsection (C)(2) within the 10-day period, the application shall be deemed to be complete, provided that: (i) the Director may require the applicant to later provide the omitted information within a period specified by the Director; and (ii) the Director may reject the application because it is incomplete if the applicant fails to timely provide the omitted information.

4. **If an application is incomplete; submitting information.** If an application is incomplete, the applicant may submit all of the information identified in the letter provided in subsection (C)(2) within 90 days after the
letter was sent or personally delivered. The Director shall review the information submitted to determine whether the application is complete as provided in this subsection (C). An incomplete application is void if the applicant fails to submit all of the information identified in the letter provided in subsection (C)(2) within 90 days after the letter was sent or personally delivered. If the applicant fails to timely submit the information identified in the letter, the applicant may proceed only by filing a new application.

D. Mailed notice that a complete application has been filed. For zoning map amendments pertaining to a parcel subject to an open-space easement or a conservation easement, the Director of Planning shall provide written notice within 10 days after the application is determined to be complete to each holder of the open-space easement, other than the County, or the conservation easement. The notice shall be sent by first class mail. The notice shall inform the recipient that the application has been filed and describe the nature of the application. An action on an application shall not be declared invalid solely because of the failure to timely mail this notice.

E. Paying fees. The applicant shall pay the fees required by Section 35.1 when the application is determined to be complete. The application shall not be reviewed, and any time by which action must be taken by the Commission or the Board of Supervisors shall not begin, until the applicant pays the fees.

If required, the studies shall identify impacts that are specifically attributable to the project and, for impacts to public facilities that are located outside of the project, shall also identify: (i) the extent to which the project creates a need, or an identifiable portion of a need, for one or more public facility improvements in excess of existing public facility capacity at the time of the zoning map amendment; and (ii) the extent to which the applicant or its successors would receive direct and material benefits from any proffer related to any public facility improvements.

B. Form and content of studies; authority of the Director of Planning. The Director may establish the form and determine the required content of any study.
C. **Time to submit studies.** The Director may establish deadlines by which any studies must be submitted by the applicant in order to provide County staff adequate time to review the study before scheduling the Commission’s public hearing on the application.

B. **Form.** Proffers shall be in writing and be in a form that is approved by the County Attorney. The Director of Planning may provide applicants with a proffer statement form.

C. **Proffers addressing impacts from new residential development uses.** For zoning map amendments that propose new residential development or new residential uses as defined in and subject to Virginia Code § 15.2-2303.4, any proposed proffers addressing the impacts resulting from the new residential development or new residential uses shall comply with the requirements of Virginia Code § 15.2-2303.4.

D. **Time to submit.** The applicant shall submit proffers by the following deadlines:

1. **Before the Commission’s public hearing.** Proposed proffers, regardless of whether they are signed by the owners of all parcels subject to the zoning map amendment, shall be submitted to the Department of Community Development at least 14 days before the Commission’s public hearing on the zoning map amendment.

2. **Before the Board of Supervisors’ public hearing.** Proposed proffers, signed by the owners of all parcels subject to the zoning map amendment, shall be submitted to the Department of Community Development before the Board’s public hearing on the zoning map amendment. The Director of Planning may establish written guidelines that require signed proffers to be submitted a reasonable period of time prior to the public hearing to allow County officers and employees and members of the public a reasonable period of time to review the proffers.

B. **Factors to consider in requiring a work session.** When deciding whether to conduct a work session, the Director shall consider: (i) the nature of the approval requested; (ii) the acreage affected; (iii) the possible impacts that

A. Purposes for a community meeting. The purposes for a community meeting are to provide interested members of the public with the opportunity to receive information about the proposed project, the applicable procedure, the policies of the Comprehensive Plan, other relevant policies, and the regulations applicable to the proposed project, and to allow the public to ask questions about the proposed project.

B. Guidelines. The Director of Planning shall establish written guidelines pertaining to notification of nearby landowners, scheduling, and conducting community meetings.

C. Community meeting may be waived; factors to consider. The Director may waive the requirement for holding a community meeting. The community meeting may be waived when the Director, exercising reasonable discretion, decides that the meeting would not achieve the purposes for the meeting upon considering: (i) whether the application would be likely to generate any public concerns because of the nature of the approval requested, the acreage affected, the proposed density, the proposed scale, and the potential impacts; (ii) any other factors deemed relevant upon applying sound zoning principles; and (iii) whether the applicant has already held one or more community meetings regarding the application, making a community meeting under this section unnecessary.

D. Holding in conjunction with a citizen advisory committee meeting. A community meeting may be held during a citizen advisory committee meeting.

E. When community meeting is to be held. A community meeting shall be held prior to the first public hearing on the application for a zoning map amendment.

F. Additional community meetings. The Director may require that an additional community meeting be held prior to a public hearing if a deferral has been requested and a project is resubmitted which is substantially different than the original project.

§ 33.24: (§ 33.4; § 33.2, 12-10-80)(§ 33.4, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.5, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.6, 12-10-80)(§ 33.7, 12-10-80, 6-19-96; Ord. 01-18(6), 10-3-01)(§ 33.8, 12-10-80, 6-19-96)(§ 33.8.1, 12-10-80, 6-19-96; Ord. 01-18(6), 10-3-01)(§ 33.8.2, 12-10-80, 6-19-96)(§ 33.8.3, 12-10-80, 6-19-96); § 33.4, Ord. 12-18(7), 12-5-12, effective 4-1-13; Ord. 14-18(2), 3-5-14; Ord. 16-18(3), 4-6-16; Ord. 16-18(4), 4-6-16); § 33.24, Ord. 18-18(3), 9-5-18
Sec. 33.25 Public hearings; notice.

Public hearings on an application for a zoning map amendment are required as follows:

A. When public hearings are required. The Commission shall hold at least one public hearing before it makes its recommendation to the Board of Supervisors. After the Board receives the recommendation from the Commission, it shall hold at least one public hearing before acting.

B. Notice of public hearings. Notice of the public hearings shall be provided as follows:

1. Published and mailed notice. The Department of Community Development shall provide notice of the public hearings before the Commission and the Board as required by Virginia Code §§ 15.2-2204 and 15.2-2285(C).

2. Posted notice. The Department of Community Development shall post notice of the public hearings by posting one or more signs as follows:

a. When a sign must be posted. The sign shall be posted at least 21 days before the Commission’s public hearing and shall remain posted until the Board has acted on the application or the application has been withdrawn.

b. Where a sign to be located. The sign shall be erected within 10 feet of each boundary line of the parcel(s) that is the subject of the zoning map amendment abutting a street and shall be placed so that it is clearly visible from the street. If more than one street abuts the parcel(s), then either: (i) a sign shall be erected in the same manner as above for each abutting street; or (ii) if the area of the parcel(s) to be used if the zoning map amendment is approved is confined to a particular portion of the parcel(s), a sign erected in the same manner as above for the abutting street that is in closest proximity to, or would be impacted by, the proposed use. A sign need not be posted along Interstate 64 or along any abutting street if the sign would not be visible from that street. If no street abuts the parcel(s), then signs shall be erected in the same manner as above on at least two boundaries of the parcel(s) abutting land that is not subject to the zoning map amendment in locations that are most conspicuous to the public. Before posting a sign on a parcel, the Zoning Administrator shall obtain the consent of the owner to do so if the parcel is not owned by the County.

c. Content of a sign. Each sign shall state that the parcel(s) is subject to a public hearing and explain how to obtain additional information about the public hearing.

d. Maintaining the sign. The applicant shall diligently protect each sign from vandalism and theft, maintain each sign in an erect position in its posted location, and ensure that each sign remains legible. The failure of an applicant to comply with these responsibilities may be cause for the Commission or the Board to defer action on an application until there is reasonable compliance with this subsection.

e. Ownership of a sign; violation for removing or tampering with sign. Each sign is the property of the County. It is unlawful for any person to remove or tamper with any sign, except the applicant performing maintenance required by this subsection or the Zoning Administrator except the County or its employees or authorized agents performing maintenance required by this subsection.

f. Effect of failure to comply. If the Department of Community Development fails to post any sign required by this subsection (B)(2):

1. Prior to action by the Board. The Board may defer acting on an application if it finds that the failure to comply with this subsection materially deprived the public of reasonable notice of the public hearing.
2. *Action is not invalid.* Neither the Commission’s recommendation nor the Board’s approval of a zoning map amendment is invalid solely because of the failure to post notice as required by this subsection.

[§ 33.25: (§ 33.4: § 33.2, 12-10-80)(§ 33.4, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.5, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.6, 12-10-80)(§ 33.7, 12-10-80, 6-19-96; Ord. 01-18(6), 10-3-01)(§ 33.8, 12-10-80, 6-19-96; Ord. 01-18(6), 10-3-01)(§ 33.8.2, 12-10-80, 6-19-96)(§ 33.8.3, 12-10-80, 6-19-96); § 33.4, Ord. 12-18(7), 12-5-12, effective 4-1-13; Ord. 14-18(2), 3-5-14; Ord. 16-18(3), 4-6-16; Ord. 16-18(4), 4-6-16); § 33.25, Ord. 18-18(3), 9-5-18]

**Sec. 33.26 Recommendation by the Planning Commission.**

The Commission shall act on an application for a zoning map amendment as follows:

A. *Recommendation.* The Commission shall either recommend approval of the zoning map amendment as proposed, approval of the zoning map amendment with recommended changes, or disapproval. The Commission’s recommendation also should include its recommendations on any proposed proffers and, for any application to establish or amend a planned development district, including a neighborhood model district, its recommendations on the application plan, the code of development, and any special exception requested.

B. *Factors to be considered.* In making its recommendation, the Commission shall consider the same factors considered by the Board of Supervisors pursuant to Section 33.27.

C. *Time for recommendation.* The Commission shall make its recommendation on the proposed zoning map amendment within 90 days after the application is determined to be complete. The failure of the Commission to make a recommendation on the matter within the 90-day period shall be deemed to be a recommendation of approval. The 90-day period may be extended if the applicant requests a deferral pursuant to Section 33.52.

[§ 33.26: (§ 33.4: § 33.2, 12-10-80)(§ 33.4, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.5, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.6, 12-10-80)(§ 33.7, 12-10-80, 6-19-96; Ord. 01-18(6), 10-3-01)(§ 33.8, 12-10-80, 6-19-96)(§ 33.8.1, 12-10-80, 6-19-96; Ord. 01-18(6), 10-3-01)(§ 33.8.2, 12-10-80, 6-19-96)(§ 33.8.3, 12-10-80, 6-19-96); § 33.4, Ord. 12-18(7), 12-5-12, effective 4-1-13; Ord. 14-18(2), 3-5-14; Ord. 16-18(3), 4-6-16; Ord. 16-18(4), 4-6-16)+§ 33.6: Ord. 12-18(7), 12-5-12, effective 4-1-13; § 33.9, 12-10-80); § 33.26, Ord. 18-18(3), 9-5-18]

**Sec. 33.27 Action by the Board of Supervisors.**

The Board of Supervisors shall act on an application for a zoning map amendment as follows:

A. *Action.* The Board may either adopt the zoning map amendment, deny the application for a zoning map amendment, defer acting for a period of up to 36 months from the date the application was determined to be complete to allow changes to be made to the application by the applicant prior to action by the Board, or refer the matter back to the Commission for further consideration and recommendation within the time for an action provided in subsection (C).

1. *Authority to accept proffers.* In approving an application for a zoning map amendment, the Board may accept the proposed proffers.

2. *Intensification of use classification or expanding the land being rezoned is prohibited without additional notice and hearing.* The Board may not adopt a zoning map amendment allowing a more intensive use, or including more land, than was contained in the public notice without an additional public hearing after notice is provided pursuant to Virginia Code §§ 15.2-2204 and 15.2-2285(C).
B. **Factors to be considered.** In acting on a zoning map amendment, the Board shall reasonably consider the following factors: (i) the existing use and character of property; (ii) the Comprehensive Plan; (iii) the suitability of property for various uses; (iv) the trends of growth or change; (v) the current and future requirements of the community as to land for various purposes as determined by population and economic studies and other studies; (vi) the community’s transportation requirements; (vii) the requirements for airports, housing, schools, parks, playgrounds, recreation areas and other public services; (viii) the conservation of natural resources; (ix) preserving flood plains; (x) protecting life and property from impounding structure failures; (xi) preserving agricultural and forestal land; (xii) conserving properties and their values; and (xiii) encouraging the most appropriate use of land throughout the County. The Board’s failure to expressly consider all of these factors does not invalidate its action. In addition:

1. **Additional factors to be considered when acting on an application to establish planned development district, including a neighborhood model district.** In addition to the other factors relevant to the consideration of a zoning map amendment, the Board shall consider the following when it reviews an application to establish a planned development district, including a neighborhood model district: (i) whether the proposed planned development satisfies the purpose and intent of the planned development district; (ii) whether the area proposed to be rezoned is appropriate for a planned development under the Comprehensive Plan; and (iii) the relation of the proposed planned development to major roads, utilities, public facilities, and public services.

2. **Additional factors to be considered when acting on an application to amend existing planned development district.** In addition to the other factors relevant to the consideration of a zoning map amendment, the Board shall consider the following when it reviews an application to amend an existing planned development district: (i) whether the proposed amendment reduces, maintains, or enhances the criteria of a planned development stated in Section 8.3; and (ii) the extent to which the proposed amendment impacts the other parcels within the planned development district.

C. **Amendments to proposed proffers after the public hearing has begun.** The Board may accept, in its sole discretion, amended proffers after the public hearing on the zoning map amendment has begun if it concludes that the amended proffers do not materially affect the overall proposal. If amended proffers are submitted after the public hearing is closed, the Board may accept, in its sole discretion, the amended proffers after holding another public hearing.

D. **Time for action.** The Board shall act on an application for a zoning map amendment within a reasonable period as may be necessary, not to exceed 12 months after the application was determined to be complete. The 12 month period may be extended if the applicant requests a deferral pursuant to Section 33.52.

**State law reference:** Va. Code §§ 15.2-2204, 15.2-2284, 15.2-2285, 15.2-2286, 15.2-2303.

**Sec. 33.28 Effect of approval of zoning map amendment; effect of proffers once accepted.**

The Board of Supervisors’ adoption of a zoning map amendment constitutes acceptance of the proffers and also, for any application to establish or amend a planned development district, approval of the application plan, all standards of development, and the code of development. In addition:

A. **Become part of zoning regulations.** The district designation, the accepted proffers, the approved application plan, the standards of development, and the code of development, are part of the zoning regulations applicable to the parcel(s) that was the subject of the zoning map amendment.
B. Effect of proffers once they are accepted. Once proffered and accepted by the Board in conjunction with an adopted zoning map amendment, the proffers continue in effect until a subsequent zoning map amendment changes the zoning of the parcel(s) subject to the proffers; provided that the proffers continue in effect if the subsequent zoning map amendment is part of a comprehensive implementation of a new or substantially revised zoning ordinance.

§ 33.28: (§ 33.6: Ord. 12-18(7), 12-5-12, effective 4-1-13; § 33.9, 12-10-80)+§ 33.7: Ord. 12-18(7), 12-5-12, effective 4-1-13 (§ 33.3, 12-10-80; 4-4-90; Ord. 07-18(1), 7-11-07)(§ 33.3.1, 12-10-80; 4-4-90; Ord. 16-18(4), 4-6-16); § 33.28, Ord. 18-18(3), 9-5-18

Sec. 33.29 Resubmitting a similar denied application within one year is prohibited.

An owner may not submit an application for a zoning map amendment that is substantially the same as a denied application for a zoning map amendment for the same parcel(s) within one year after the date of the denial by the Board of Supervisors.

§ 33.29: (§ 33.4: § 33.2, 12-10-80)(§ 33.4.1, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.5, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.6, 12-10-80)(§ 33.7, 12-10-80, 6-19-96; Ord. 01-18(6), 10-3-01)(§ 33.8, 12-10-80, 6-19-96)(§ 33.8.1, 12-10-80, 6-19-96; Ord. 01-18(6), 10-3-01)(§ 33.8.2, 12-10-80, 6-19-96)(§ 33.8.3, 12-10-80, 6-19-96); § 33.4, Ord. 12-18(7), 12-5-12, effective 4-1-13; Ord. 14-18(2), 3-5-14; Ord. 16-18(3), 4-6-16; Ord. 16-18(4), 4-6-16); § 33.29, Ord. 18-18(3), 9-5-18

B. *Number of copies to file.* The Director of Planning may establish for each class of application the number of collated copies of the application required to be filed, to accept electronic applications for filing, or both.

C. *Determining completeness of the application.* The Director of Planning shall review each filed application as follows:

1. *Timing of the determination of completeness.* The Director shall determine whether an application is complete within 10 days after the application was received. An application that provides all of the required information shall be determined to be complete and be accepted for review and decision. An application omitting any required information is incomplete and shall be deemed to not be filed and shall not be accepted for review and action.

2. *Informing an applicant if the application is incomplete.* If the Director determines that an application is incomplete, the Director shall inform the applicant by letter explaining the reasons why the application was rejected as being incomplete. The letter shall be sent by first class mail, or, if consented to by the applicant in writing, by fax or email (collectively, “sent”), or be personally delivered. The letter shall be sent or personally delivered within 10 days after the application was received.

3. *Effect if a timely determination is not made.* If the Director does not send or personally deliver the letter as provided in subsection (C)(2) within the 10-day period, the application shall be determined to be complete, provided that: (i) the Director may require the applicant to later provide the omitted information within a period specified by the Director; and (ii) the Director may reject the application because it is incomplete if the applicant fails to timely provide the omitted information.

4. *If an application is incomplete; submitting information.* If an application is incomplete, the applicant may submit all of the information identified in the letter provided in subsection (C)(2) within 90 days after the letter was sent or personally delivered. The Director shall review the information submitted to determine whether the application is complete as provided in this subsection (C). An incomplete application is void if the applicant fails to submit all of the information identified in the letter provided in subsection (C)(2) within 90 days after the letter was sent or personally delivered. If the applicant fails to timely submit the information identified in the letter, the applicant may proceed only by filing a new application.

submitted for review for the purpose of calculating the time in which action must be taken pursuant to Sections 33.39 and 33.40.

F. **Mailed notice to the owner that an application for a special use permit has been filed by an easement holder.** The Department of Community Development shall provide written notice to the owner of the parcel for which a special use permit is sought when an application is filed by an eligible easement holder. The notice shall be provided within 10 days after the application for the special use permit is determined to be complete. The notice shall be sent by first class mail. The notice shall inform the recipient that the application has been filed and describe the nature of the application. An action on an application shall not be declared invalid solely because of the failure to timely mail this notice.

G. **Mailed notice to certain easement holders that an application for a special use permit has been filed.** For special use permit applications pertaining to a parcel subject to an open-space easement or a conservation easement, the Director of Planning shall provide written notice within 10 days after the application is determined to be complete to each holder of the open-space easement, other than the County, or the conservation easement. The notice shall be sent by first class mail. The notice shall inform the recipient that the application has been filed and describe the nature of the application. An action on an application shall not be declared invalid solely because of the failure to timely mail this notice.

(§ 33.35; Ord. 18-18(3), 9-5-18)

**Sec. 33.36 Work sessions.**

The Director of Planning may schedule one or more work sessions before the Board of Supervisors, the Commission, and the Architectural Review Board (“ARB”), if applicable, on any application for a zoning map amendment, subject to the following:

A. **Purpose for a work session.** The purposes for a work session are to present the proposed project to the Board, the Commission, or the ARB with the Department of Community Development’s analysis of the major issues, seek direction from the Board, the Commission, or the ARB on their expectations in addressing those issues.

B. **Factors to consider in requiring a work session.** When deciding whether to conduct a work session, the Director shall consider: (i) the nature of the approval requested; (ii) the acreage affected; (iii) the possible impacts that could result from an approved application; and (iv) any other factors deemed relevant upon applying sound zoning principles.

C. **When an applicant’s consent is required.** The applicant’s consent to a work session shall be required if the work session would extend the time for action by the Commission or the Board beyond the deadlines in Sections 33.39 and 33.40.

**State law reference-Va. Code § 15.2-2286.**
Sec. 33.37 Community meetings.

The applicant shall schedule and conduct one or more community meetings on any application for a special use permit, unless the requirement for a community meeting is waived as provided in subsection (B), subject to the following:

A. **Purposes for a community meeting.** The purposes for a community meeting are to provide interested members of the public with the opportunity to receive information about the proposed project, the applicable procedure, the policies of the Comprehensive Plan and other relevant policies, and the regulations applicable to the proposed project, and to allow the public to ask questions about the proposed project.

B. **Guidelines.** The Director of Planning shall establish written guidelines pertaining to notification of nearby landowners, scheduling, and conducting community meetings.

C. **Community meeting may be waived; factors to consider.** The Director may waive the requirement for holding a community meeting. The community meeting may be waived when the Director, exercising reasonable discretion, decides that the meeting would not achieve the purposes for the meeting upon considering: (i) whether the application would be likely to generate any public concerns because of the nature of the approval requested, the acreage affected, the proposed density, the proposed scale, and the potential impacts; (ii) any other factors deemed relevant upon applying sound zoning principles; and (iii) whether the applicant has already held one or more community meetings regarding the application, making a community meeting under this section unnecessary.

D. **Holding in conjunction with a citizen advisory committee meeting.** A community meeting may be held during a citizen advisory committee meeting.

E. **When community meeting is to be held.** A community meeting shall be held prior to the first public hearing on the application for a zoning map.

F. **Additional community meetings.** The Director may require that an additional community meeting be held prior to a public hearing if a deferral has been requested and a project is resubmitted which is substantially different than the original project.

Sec. 33.38 Public hearings; notice.

Public hearings on an application for a special use permit are required as follows:

A. **When public hearings are required.** The Commission shall hold at least one public hearing before it makes its recommendation to the Board of Supervisors. After the Board receives the recommendation from the Commission, it shall hold at least one public hearing before acting.
B. Notice of public hearings. Notice of the public hearings shall be provided as follows:

1. Published and mailed notice. The Department of Community Development shall provide notice of the public hearing before the Commission and the Board as required by Virginia Code § 15.2-2204(A) and (B), as otherwise required for a zoning map amendment, and Virginia Code § 15.2-2204(C).

2. Posted notice. The Department of Community Development shall post notice of the public hearings before the Commission and the Board as follows:

   a. When a sign must be posted. The sign shall be posted at least 21 days before the Commission’s public hearing on the application and shall remain posted until the Board has acted on the application or the application has been withdrawn.

   b. Where a sign is to be located. The sign shall be erected within 10 feet of each boundary line of the parcel(s) that is the subject of the special use permit abutting a street and shall be placed so that it is clearly visible from the street. If more than one street abuts the parcel(s), then either: (i) a sign shall be erected in the same manner as above for each abutting street; or (ii) if the area of the parcel(s) to be used if the zoning map amendment is approved is confined to a particular portion of the parcel(s), a sign erected in the same manner as above for the abutting street that is in closest proximity to, or would be impacted by, the proposed use. A sign need not be posted along Interstate 64 or along any abutting street if the sign would not be visible from that street. If no street abuts the parcel(s), then signs shall be erected in the same manner as above on at least two boundaries of the parcel(s) abutting land that is not subject to the zoning map amendment in locations that are most conspicuous to the public. Before posting a sign on a parcel, the Zoning Administrator shall obtain the consent of the owner to do so if the parcel is not owned by the County.

   c. Content of a sign. Each sign shall state that the parcel(s) is subject to a public hearing and explain how to obtain additional information about the public hearing.

   d. Maintaining the sign. The applicant shall diligently protect each sign from vandalism and theft, maintain each sign in an erect position in its posted location, and ensure that each sign remains legible. The failure of an applicant to comply with these responsibilities may be cause for the Commission or the Board to defer action on an application until there is reasonable compliance with this subsection.

   e. Ownership of a sign; violation for removing or tampering with sign. Each sign is the property of the County. It is unlawful for any person to remove or tamper with any sign, except the applicant performing maintenance required by this subsection or the Zoning Administrator.

   f. Effect of failure to comply. If the Department of Community Development fails to post any sign required by this subsection (B)(2):

      1. Prior to action by the Board. The Board may defer acting on an application if it finds that the failure to comply with this subsection materially deprived the public of reasonable notice of the public hearing.

      2. Action is not invalid. Neither the Commission’s recommendation nor the Board’s approval of a zoning map amendment is invalid solely because of the failure to post notice as required by this subsection.

§ 33.38: (§ 33.4: § 33.2, 12-10-80)(§ 33.4:12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.5, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.6, 12-10-80)(§ 33.7, 12-10-80, 6-19-96; Ord. 01-18(6), 10-3-01)(§ 33.8, 12-10-80, 6-19-96)(§ 33.8.1, 12-10-80; 6-19-96; Ord. 01-18(6), 10-3-01)(§ 33.8.2, 12-10-80, 6-19-96)(§ 33.8.3, 12-10-80, 6-19-96); §33.4, Ord. 12-18(7), 12-5-12, effective 4-1-13; Ord. 14-18(2), 3-5-14; Ord. 16-18(3), 4-6-16; Ord. 16-18(4), 4-6-16; § 33.38, Ord. 18-18(3), 9-5-18]
Sec. 33.39 Recommendation by the Planning Commission.

The Commission shall act on an application for a special use permit as follows:

A. **Recommendation.** The Commission shall either recommend approval of the application as proposed, approval of the application with changes to be made prior to action on the application by the Board of Supervisors, or denial of the application.

B. **Factors to be considered.** In making its recommendation, the Commission shall consider the same factors considered by the Board under Section 33.40.

C. **Conditions.** The Commission’s recommendation should include its recommendations on any proposed conditions, applying the same criteria applied by the Board under section 33.40.

D. **Time for recommendation.** The Commission shall make its recommendation on the application within 90 days after the application is determined to be complete. The failure of the Commission to make a recommendation on the matter within the 90-day period shall be deemed to be a recommendation of approval. The 90-day period may be extended if the applicant requests a deferral pursuant to Section 33.52.

**State law reference—Va. Code § 15.2-2286.**

Sec. 33.40 Action by the Board of Supervisors.

The Board of Supervisors shall act on an application for a special use permit as follows:

A. **Action.** The Board may either approve the special use permit, deny the application, or defer action to either allow changes to be made to the application or any proposed conditions prior to final action by the Board, or to refer the matter back to the Commission for further consideration and recommendation within the time for an action provided in subsection (D).

B. **Factors to be considered.** In acting on a special use permit, the Board shall consider the following factors, provided that the Board is not required to make specific findings in support of its action:

1. **No substantial detriment.** Whether the proposed special use will be a substantial detriment to adjacent parcels.

2. **Character of the nearby area is unchanged.** Whether the character of the adjacent parcels and the nearby area will be changed by the proposed special use.

3. **Harmony.** Whether the proposed special use will be in harmony with the purpose and intent of this chapter, with the uses permitted by right in the district, with the regulations provided in Section 5 as applicable, and with the public health, safety, and general welfare.

4. **Consistency with the Comprehensive Plan.** Whether the proposed special use will be consistent with the Comprehensive Plan.

C. **Conditions.** In approving a special use permit, the Board may impose reasonable conditions to address any possible impacts of the special use. Except as the Board may specify in a particular case, any condition imposed on a special use shall be deemed to be essential and nonseverable from the permit itself. Any condition
determined to be unreasonable, invalid, void, or unlawful shall invalidate the special use permit. The conditions may pertain to, but are not limited to, the following:

1. Preventing or minimizing smoke, dust, noise, traffic congestion, flood, and other hazardous, deleterious or otherwise undesirable substances or conditions.

2. Providing adequate police and fire protection.

3. Providing adequate improvements pertaining to transportation, water, sewage, drainage, recreation, landscaping, and screening or buffering.

4. Establishing special requirements relating to building setbacks, front, side, and rear yards, off-street parking, ingress and egress, hours of operation, outside storage of materials, duration and intensity of use, building heights, and other particular aspects of occupancy or use.

5. The period by which the use or the construction of any structure required for the use must begin.

6. The materials and methods of construction or specific design features; provided that any condition imposed in connection with a residential special use permit: (i) shall be consistent with the objective of providing affordable housing if the applicant proposes affordable housing; and (ii) shall consider the impact of the condition on the affordability of housing.

D. Time for action. The Board shall act on an application for a special use permit within a reasonable period not to exceed nine months after the date the Commission made its recommendation on the application. The 12 month period may be extended if the applicant requests a deferral pursuant to Section 33.52.

Sec. 33.41 Revoking a special use permit for noncompliance with conditions.

The Board of Supervisors may revoke a special use permit if it determines, after a public hearing, that the permittee or any successor has not complied with any conditions of the permit. Notice of the public hearing shall be as provided in Section 33.38. The written notice given by the Clerk of the Board to the owners, their agents, or the occupants of abutting parcels and parcels immediately across the street from the parcel(s) subject to the special use permit may be given by first-class mail rather than by registered or certified mail.

Sec. 33.42 Resubmitting a similar denied application within one year is prohibited

An owner may not submit an application for a special use permit that is substantially the same as a denied application for a special use permit for the same parcel(s) within one year after the date of the denial by the Board of Supervisors.

Division 5. Special Exceptions

Sec. 33.43 Introduction.

This division establishes the regulations and safeguards for filing, reviewing, and acting on applications for special exceptions.

A. **Power to grant special exceptions is reserved by the Board of Supervisors.** The Board of Supervisors reserves the power to consider and approve or deny all applications for special exceptions.

B. **Matters eligible for a special exception.** The Board may approve special exceptions to waive, modify, vary, or substitute any requirement of this chapter that is expressly authorized to be waived, modified, varied, or substituted.

C. **Variations and exceptions distinguished.** A special exception is not required for any matter that may be varied or excepted under Section 32 or Chapter 14, or for developing and constructing residential dwellings at the use, height, and density permitted by right in the applicable district as provided by Virginia Code § 15.2-2288.1.

Sec. 33.44 Application for a special exception.

Each application for a special exception shall be filed as follows:

A. **Who may file an application.** An owner, a contract purchaser with the owner’s consent, the owner’s authorized agent (collectively in this division, the “owner” or the “applicant”), or an eligible easement holder may file an application for a special exception permit. An “eligible easement holder” is a holder of an easement for which the special exception is sought that pertains to a use allowed by the deed of easement or equivalent instrument.

B. **Who must sign an application.** The application shall be signed by the owner or the eligible easement holder of each parcel that is the subject of the special exception.

C. **Documentation regarding the authority to apply.** The Director of Planning may require the applicant to submit documentation establishing ownership of, or the easement interest in, any parcel that is the subject of the application and the authority of each signatory to sign the application on behalf of the owner or the eligible easement holder.

D. **Application forms.** The Director of Planning may establish appropriate application forms for special exceptions.

E. **Information required to be submitted with an application.** Each application shall include the information required by the applicable section of this chapter authorizing the waiver, modification, variation, or substitution.

[§ 33.42: (§ 33.4; § 33.2, 12-10-80)(§ 33.4, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.5, 12-10-80; Ord. 03-18(2), 3-19-03)(§ 33.6, 12-10-80)(§ 33.7, 12-10-80, 6-19-96; Ord. 01-18(6), 10-3-01)(§ 33.8, 12-10-80, 6-19-96)(§ 33.8.1, 12-10-80, 6-19-96; Ord. 01-18(6), 10-3-01)(§ 33.8.2, 12-10-80, 6-19-96)(§ 33.8.3, 12-10-80, 6-19-96); §33.4, Ord. 12-18(7), 12-5-12, effective 4-1-13; Ord. 14-18(2), 3-5-14; Ord. 16-18(3), 4-6-16; Ord. 16-18(4), 4-6-16); § 33.42, Ord. 18-18(3), 9-5-18]
Each application for a special exception shall be filed as follows:

A. **Where to file.** The application shall be filed with the Department of Community Development.

B. **Number of copies to file.** The Director of Planning may establish for each class of application the number of collated copies of the application required to be filed, to accept electronic applications for filing, or both.

C. **Determining completeness of the application.** The Director of Planning shall review each filed application as follows:

1. **Timing of the determination of completeness.** The Director shall determine whether an application is complete within 10 days after the application was received. An application that provides all of the required information shall be determined to be complete and be accepted for review and decision. An application omitting any required information is incomplete and shall be deemed to not be filed and shall not be accepted for review and action.

2. **Informing an applicant if the application is incomplete.** If the Director determines that an application is incomplete, the Director shall inform the applicant by letter explaining the reasons why the application was rejected as being incomplete. The letter shall be sent by first class mail, or, if consented to by the applicant in writing, by fax or by email (collectively, “sent”), or be personally delivered. The letter shall be sent or personally delivered within 10 days after the application was received.

3. **Effect if a timely determination is not made.** If the Director does not send or personally deliver the notice as provided in subsection (C)(2) within the 10-day period, the application shall be deemed to be complete, provided that: (i) the Director may require the applicant to later provide the omitted information within a period specified by the Director; and (ii) the Director may reject the application as provided herein if the applicant fails to timely provide the omitted information.

4. **If an application is incomplete; submitting information.** If an application is incomplete, the applicant may submit all of the information identified in the letter provided in subsection (C)(2) within 90 days after the letter was sent or personally delivered. The Director shall review the information submitted to determine whether the application is complete as provided in this subsection (C). An incomplete application is void if the applicant fails to submit all of the information identified in the letter provided in subsection (C)(2) within 90 days after the letter was sent or personally delivered. If the applicant fails to timely submit the information identified in the letter, the applicant may proceed only by filing a new application.

D. **Paying fees.** The applicant shall pay the fees required by Section 35.1 when the application is determined to be complete. The application shall not be further reviewed until the applicant pays the fees.

E. **When an application is determined to be complete; effect.** When the Director of Planning determines that the applicant has submitted all of the required information, it is determined to be complete, and it is officially submitted for review for the purpose of calculating the time in which action must be taken pursuant to Sections 33.48 and 33.49.

F. **Mailed notice to the owner that an application for a special exception has been filed by an easement holder.** The Department of Community Development shall provide written notice to the owner of the parcel for which a special exception is sought when an application is filed by an eligible easement holder. The notice shall be provided within 10 days after the application for the special exception is determined to be complete. The notice

18-33-29
shall be sent by first class mail. The notice shall inform the recipient that the application has been filed and describe the nature of the application. An action on an application shall not be declared invalid solely because of the failure to timely mail this notice.

G. Mailed notice to certain easement holders that an application for a special exception has been filed. For special exception applications pertaining to a parcel subject to an open-space easement or a conservation easement, the Director of Planning shall provide written notice within 10 days after the application is determined to be complete to each holder of the open-space easement, other than the County, or the conservation easement. The notice shall be sent by first class mail. The notice shall inform the recipient that the application has been filed and describe the nature of the application. An action on an application shall not be declared invalid solely because of the failure to timely mail this notice.

Sec. 33.46 Studies identifying potential impacts of special exception.

When the filed application is complete, the Director of Planning may require an applicant to submit studies identifying the nature and extent of potential impacts resulting from a proposed special exception.

(§ 33.46; Ord. 18-18(3), 9-5-18)

Sec. 33.47 Public hearings; when required; notice.

Public hearings on an application for a special exception are required as follows:

A. When public hearings are required. The Commission and the Board of Supervisors shall each hold at least one public hearing on any application for a special exception that would increase by greater than 50 percent the bulk or height of an existing or proposed building within one-half mile of an adjoining locality.

B. When the Board of Supervisors may elect to have the Commission make a recommendation on the application and to hold one or more public hearings. When public hearings are not required under subsection (A), the Board may elect, either by policy or for an individual application, to have the Commission first make a recommendation on the application for a special exception and for either the Commission or itself to hold one or more public hearings.

C. Notice of public hearings. When public hearings are required under subsection (A), the Department of Community Development shall provide notice of the public hearings before the Commission and the Board pursuant to Virginia Code § 15.2-2204(C).

Sec. 33.48 Recommendation by the Planning Commission when required.

The Commission shall act on an application for a special exception as follows:
A. **When a Commission recommendation is required.** The Commission is required to act on an application for a special exception only if a public hearing on the application is required by Section 33.47(A) or the Board of Supervisors elects to have the Commission consider the application under Section 33.47(B).

B. **Recommendation.** The Commission shall either recommend approval of the application as proposed, approval of the application with changes to be made prior to action on the application by the Board, or denial of the application.

C. **Factors to be considered.** In making its recommendation, the Commission shall consider the factors, standards, criteria, and findings, however denominated, in the applicable sections of this chapter.

D. **Conditions.** The Commission’s recommendation should include its recommendations on the proposed conditions.

E. **Time for a recommendation.** The Commission shall make its recommendation on the application within 45 days after the application is determined to be complete. The failure of the Commission to make a recommendation on the matter within the 45-day period shall be deemed to be a recommendation of approval. The 45-day period may be extended if the applicant requests a deferral pursuant to Section 33.52.

[§ 33.48: (§ 33.5: Ord. 12-18(7), 12-5-12, effective 4-1-13; § 31.8, Ord. 12-18(1), 2-8-12; Ord. 16-18(3), 4-6-16)+ § 33.9: Ord. 12-18(7), 12-5-12, effective 4-1-13; § 31.8, Ord. 12-18(1), 2-8-12; § 33.48, Ord. 18-18(3), 9-5-18]

**Sec. 33.49 Action by the Board of Supervisors.**

The Board of Supervisors shall act on an application for a special exception as follows:

A. **Action.** The Board may either approve the application, deny the application, or defer action to either allow changes to be made to the application or any proposed conditions prior to final action by the Board, or to refer the matter to the Commission for further consideration and recommendation within the time for an action provided in subsection (D).

B. **Factors to be considered.** In acting on a special exception, the Board shall consider the factors, standards, criteria, and findings, however denominated, in the applicable sections of this chapter, provided that the Board shall not be required to make specific findings in support of its action.

C. **Conditions.** In approving a special exception, the Board may impose reasonable conditions to address any possible impacts of the special exception. Except as the Board may specify in a particular case, any condition imposed on a special exception shall be deemed to be essential and nonseverable from the special exception itself. Any condition determined to be unreasonable, invalid, void, or unlawful shall invalidate the special exception.

D. **Time for action.** The Board shall act on an application for a special exception within 90 days after the application is determined to be complete. The 90-day period may be extended if the applicant requests a deferral pursuant to Section 33.52.

[§ 33.49: (§ 33.5: Ord. 12-18(7), 12-5-12, effective 4-1-13; § 31.8, Ord. 12-18(1), 2-8-12; Ord. 16-18(3), 4-6-16)+ § 33.9: Ord. 12-18(7), 12-5-12, effective 4-1-13; § 31.8, Ord. 12-18(1), 2-8-12; § 33.49, Ord. 18-18(3), 9-5-18]

**Sec. 33.50 Revoking a special exception for noncompliance with conditions**

The Board of Supervisors may revoke a special exception if the Board determines, after a public hearing, that the permittee or any successor has not complied with any conditions of the special exception. Notice of the public
hearing shall be as provided in Virginia Code § 15.2-2204. The written notice given by the Clerk of the Board to the owners, their agents, or the occupants of abutting parcels and parcels immediately across the street from the parcel(s) subject to the special exception may be given by first-class mail rather than by registered or certified mail.

(§ 33.50; Ord. 18-18(3), 9-5-18)

Section 33.51 Resubmitting a similar denied application within one year is prohibited.

An owner may not submit an application for a special exception that is substantially the same as a denied application for a special exception for the same parcel(s) within one year after the date of the denial by the Board of Supervisors.

Division 6. Deferring Action and Withdrawing an Application

Section 33.52 Deferring action.

After submitting an application but before action by the Board of Supervisors, an applicant for a zoning map amendment, special use permit, or special exception may request a deferral as follows:

A. Request for deferral on applications submitted on and after September 5, 2018. For any application submitted on and after September 5, 2018, the applicant may request that the County suspend review of the application and extend the time period for action by the Commission or the Board (the terms “suspend review” and “extend the time for action” are collectively referred to as a “deferral” or a variation of that word) as follows:

1. Request for deferral. The applicant shall submit the written request to defer to the Director of Planning. The request shall state the date by which the applicant requests the Board will act on the application, which may not exceed 36 months after the date the application was determined to be complete.

2. Limitation. The application may not be in a state of deferral beyond 32 months after the date the application was determined to be complete if the Commission has not yet held a public hearing on the application; and further provided that the application may not be in a state of deferral beyond 33 months after the date the application was determined to be complete if the Commission has held a public hearing and made a recommendation on the application.

3. Effect of receiving request. Upon the Director of Planning receiving a request for a deferral, review of the application shall stop and any advertised public hearing shall be cancelled. However, an applicant may resubmit information for review according to the published schedule established by the Director in anticipation of action by the Board before the deferral period ends.

B. Request for deferral on applications submitted more than 36 months before September 5, 2018. For any application submitted more than 36 months before September 5, 2018, the applicant shall submit a written request to defer to the Director within 30 days after the applicant receives written notice from the Director about the requirements of this subsection. The Board shall act on the application within 12 months after September 5, 2018.

C. Request for deferral on applications submitted less than 36 months before September 5, 2018. For any application submitted less than 36 months before September 5, 2018, the applicant shall submit a written request to defer to the Director within 30 days after the applicant receives written notice from the Director about the requirements of this subsection. The Board shall act on the application within the 36-month period or a
reasonable period of time beyond the 36-month period required to complete the review of the application and to hold any required public hearings.

Sec. 33.53 Requesting action after deferral.

After the applicant’s request for a deferral is granted by the Director of Planning, the applicant is responsible for requesting action by the Commission or the Board of Supervisors as follows:

A. **Request for action by the Commission.** When the applicant is ready for action by the Commission, the applicant shall make a written request to the Director of Planning and submit all information necessary for action according to the published schedule established by the Director.

B. **Request for action by the Board of Supervisors.** When the applicant is ready for action by the Board, the applicant shall make a written request to the Director of Planning and submit all information necessary for action according to the published schedule established by the Director.

C. **When the request for action must be received.** The written request shall be received by the Director no later than 120 days before the end of the deferral period.

D. **Action on an application by the Board of Supervisors.** The Board may act on the application at any time before the end of the deferral period; provided that the Board may act on the application as soon thereafter as: (i) the Commission has held a public hearing and made a recommendation; and (ii) County staff has had sufficient time to analyze the application and satisfy all public notice requirements. On any application pending before the Board, the Director of Planning shall coordinate scheduling the application for public hearing or action, or both, with the Clerk of the Board.

E. **Extension of action beyond the end of the deferral period in extenuating circumstances.** The time for action may be extended beyond the end of the deferral period if there are extenuating circumstances which include, but are not limited to, inclement weather, civil emergencies, or errors in providing public notice as required by State law.

A. **Withdrawing an application.** An applicant for a zoning map amendment, special use permit, or special exception may request that its application be withdrawn by submitting a written request to withdraw the application as follows:
1. To whom the request is to be sent. The written request must be sent to the Director of Planning. If the application is pending before the Board of Supervisors at the time the request is received, the Director shall immediately inform the Clerk of the Board of the request.

2. When the request must be received. The request must be received by the Director or the Clerk before the Commission or the Board, as applicable, begins to consider the application on a meeting agenda.

3. Effect of timely receipt of request to withdraw. When the request to withdraw is received, the application shall not be further processed or reviewed by County staff, nor acted on by the Commission or the Board.

4. Resubmitting a similar withdrawn application within one year prohibited. An owner may not submit an application that is substantially the same as a withdrawn application for the same parcel(s) within one year after the date of the withdrawal.

B. When an application is deemed withdrawn. An application shall be deemed to be voluntarily withdrawn if the applicant requests deferral pursuant to subsection 33.52(A) and fails to provide within 90 days before the end of the deferral period all of the information required to allow the Board to act on the application, or fails to request a deferral as provided in subsection 33.52(B) or (C).
