COUNTY DEBRIS

Starting tomorrow, July 3, 2012, County personnel will activate debris disposal sites at various locations to receive vegetative debris.

No construction debris, demolition debris or household goods will be accepted. No debris pick-up will be available.

County residents (or contractors clearing for County residents) can bring brush, trees, tree limbs, etc., to the following sites:

- Walnut Creek Park
- Mint Springs Valley Park
- Darden Towe Park
- Chris Green Lake Park

Sites will open daily starting tomorrow from 7:00 a.m. to 6:00 p.m. and will remain open throughout the emergency.

CITY DEBRIS

City's Public Works Department will conduct a free storm debris collection from last Friday's storm beginning Monday, July 8th. The free collection is being offered in the areas of the City that were most affected by the storm (see zoning map).

- The collection includes tree and tree debris from the June 29th storm only
- Debris must be moved to the street edge for collection
- Construction material does not qualify for the collection
- Contractors are responsible for the removal of any tree debris they handle

Residents who live outside of the free collection areas may request an onsite evaluation to determine if their home qualifies for a free collection. Please contact 970-3895 to schedule an evaluation.

COUNTY CLOSINGS

Mint Springs Park and Walnut Creek Park Swim areas CLOSED; No power.

Summer Playground Programs will be canceled today, July 2, 2012, at ALL locations due to power outages at Albemarle County schools. Call the Parks and Recreation office with questions: 296-5844.
