**Regarding Two Kitchens in One Dwelling**

I, \_\_\_\_\_, (property owner) hereby certify that the proposed permanent cooking facilities on Tax Map \_\_\_\_\_ Parcel \_\_\_\_\_ will be restricted to personal use by the residents of the single-family dwelling unit authorized by Building Permit No \_\_\_\_\_ and the residents' guests. The proposed permanent cooking facilities will not be used to establish a second separate, independent dwelling unit on the property. I understand that only one dwelling unit is permitted within the structure [or on the property.] I also understand that this is not a two family dwelling or an accessory apartment. Further, the use of one of the cooking facilities as part of a residence for someone other than a family member does establish a separate household. This finding would result in a determination by the Albemarle County Zoning Administrator that a second dwelling unit has been established in violation of Albemarle County Zoning Ordinance.
