

## **Crozet Community Advisory Council**

### **Meeting**

**Thursday, November 16, 2006**

**7:00 – 9:00 p.m.**

**The Meadows, Crozet**

### Agenda

1. Review of Agenda
2. Approval of the October 19, 2006 minutes
3. Affordable Housing Informational Session - Ron White from the County will be at the meeting to discuss this issue and answer questions about the County's affordable housing policy and the Crozet Master Plan. (1 hour)
4. Lee Catlin announcement of upcoming creation of Pantops Master Plan community council and request feedback from our group regarding the formation of this second council. She would like suggestions from our group – both positive and negative. I am concerned that we won't have time for a thorough discussion, so would like to have a short discussion and then figure out how to get feedback to Lee during the month of December. E-mail survey would be the best if people would fill it out and get it back to her. We will be talking about this during this part of the meeting. (15 minutes)
4. Mary Rice announcement of recent meeting she had with PTO subcommittee regarding Crozet school overcrowding and their request that CCAC coordinate with that group. (10 minutes)
5. Announcement by Susan Stimart about the grant for the Historic Resources Survey. DHR selects the consultant to conduct the survey of the 270+ properties. Per Susan's understanding, there will be several community meetings upcoming, facilitated by DHR, to explain how the District works and the process for forming a district, after the survey is completed. (5 minutes)
6. Review of upcoming matters before the Planning Commission and Board of Supervisors – Rebecca Ragsdale. 10 minutes
