

SUMMARY COMMENTS/OTHER CONCERNS

1. Population coverage
2. Library service area
3. What size does library need to be?
4. Goals: First class library
5. We preserve all 22,500 sf
We need a sizable space
6. Need an architecturally significant building
7. Need a great interior
8. Want a one story library – Most efficient --- Staffing – Costs – Square footage
9. Master Plan is a general guide – Not carved in stone
10. Also concurs that Master Plan is guide – And did not examine the old school site
11. Consider partial or entire demo of existing school – Not a majority opinion
