

TABLE OF CONTENTS

I. Crozet Community Guide

A. The Crozet Master Plan	1
B. Master Plan vs. By-Right Development: Why a Master Plan	2
C. Public Process	2
D. Preliminary Findings and Recommendations	3
History	3
Basic Assumptions	4
Guiding Principles	4
Major Findings and Recommendations	4
E. Context	5
Three Geographic Sectors: Recommendations	5
Crozet Priorities	7
Partners in Crafting the Master Plan	9
F. Summary Recommendations for the Crozet Development Area	11
Services	11
Facilities	12
Programs	13
Utilities	14
Connections	15

II. Strategies for Implementation

A. Costs and Strategies for Funding Improvements	17
Current CIP Funded items, recommended by the Master Plan	17
Implementation Timelines	19
B. Strategy for Business and Community Development	23
C. Strategy for Affordable Housing	23
D. Strategies for Financing Improvements	24
Local Government	24
Businesses	25
Local Community	25
E. Strategy for Land Use	25
By-right Development	25
Modified Re-zoning Process	26
Developer Initiated Rezoning	26
County Initiated Rezoning	27
Entrance Corridors	28
Architectural Design Guidelines	29
Establishment of Historic Districts	29
Conservation Easements	29
Recommended Strategy	30
F. Indicators: Measures of Success	30

III. Process and Form of Development

A. Framework for Creating Distinctive Places within Crozet	31
Relationship of the Master Plan to the Comprehensive Plan	31
Relationship of the Neighborhood Model to the Master Plan	31
Distinctive Place Types	31
B. Services	33
Local Governance	33

Fire and Rescue	33
Police	34
C. Programs	35
Fairs, festivals and local celebrations	35
Social Services	35
D. Utilities	36
Solid Waste and Recycling	36
Water and Sewer	37
Stormwater	38
E. Connections	38
Greenway Trails: citizen organized, citizen driven	38
Roads	39
Bicycle Routes and Sidewalks	43
F. Distinctive Places	44
Historic Districts	44
Schools	44
Libraries	45
Parks and Recreations	45
Faculties	47
G. Form Map and Site Development Guidelines	47
The Built Environment: Place-Type	47
The Built Environment: Transect Applied to Place-Type	48
The Built Environment: Corridor Type	49
The Natural Environment: Open Space and Rural Character	49
