

Your Ideas are Needed

Community Workshop on the Re-use of

The Old Crozet School Building & Site

June 19, 20 & 21, 2008 at Western Albemarle High School, Crozet, Virginia
5941 Rockfish Gap Turnpike, Crozet, Virginia

What is the Workshop about? The Workshop, sponsored by the County of Albemarle, is being held to provide an opportunity for the community of Crozet to identify potential new uses for the Old Crozet School building and site.

Who Should Attend? Citizens and residents are encouraged to come and participate in the Workshop in any of the following on-going workshop activities:

June 19

7:00 pm to 9:00 pm

**Opening Presentation
& Goals**

Work Session

Come share your ideas!

Share Your Ideas for Re-Using the Old Crozet School Building & Site

Participate in the kick-off evening work session devoted to exploring ideas to re-use the building and site.

A participatory work session will be conducted with citizens to collect ideas for re-using the Old Crozet School Building & Site. A presentation of examples of how this has been done in other localities will be given prior to the work session.

June 20

10:00 am to 6:00pm

**Community Workshop
Open House - Day #1**

through

June 21

9:00 am to 3:00pm

**Community Workshop
Open House - Day #2**

Drop-In When You Can!

Work with the design team and Develop Concepts for the Old Crozet School Building & Site

Drop-in anytime during the day to participate in the development of concepts for re-use of the building and site. Architects and designers will be available to work with participants in sketching up ideas and documenting re-use concepts.

On-site interviews with the design team can be arranged that day by contacting the consultant at the phone number below (see note below).

June 21

3:00pm to 3:30pm

**Concluding
Presentation**

Presentation of Concepts

Come see the ideas that were produced during the work session and express your preferences.

Questions about this event? You may visit www.albemarle.org/oldschool for additional information and updates related to this event. Contact Britton Miller by email at bmiller@albemarle.org or by phone at 434-972-4176.

Want to Discuss this with the Design Team? To set up a specific time on June 20th or 21st to have a one-on-one conversation with a workshop leader to discuss your ideas, please call Jeff Stodghill at 757-303-8922 to schedule a time. Interview time is limited, so make arrangements early.
