Planning and Coordination Council (PACC)

In 1986, the Three Party Agreement between Charlottesville, Albemarle County, and the University of Virginia codified a pact to coordinate planning and growth among the three agencies. The Agreement specified three land-use designations ranging from areas of shared interest to areas with required levels of planning, coordination/jurisdictional authority among the three entities.

The Planning and Coordination Council (PACC), consisting of three representatives each from the city, county, and university, was established to provide a forum for these discussions. Meetings are held quarterly. The coordination of meetings is rotated annually among the governing bodies.

The spring meeting is scheduled for May 21, 2015, 2:00 p.m. at the County Office Building, 401 McIntire Road, in Room 241.
