

PUBLIC NOTICE

The Charlottesville/UVA/Albemarle County Emergency Communications Center is scheduled for an on-site assessment as part of a program to achieve re-accreditation by verifying it meets professional standards.

Administered by the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA), the accreditation program requires agencies to comply with state-of-the-art standards in four basic areas: policy and procedures, administration, operations, and support services.

As part of the on-site assessment, agency employees and members of the community are invited to offer comments at a public information session. Individuals that would like to provide comments to the assessment team may do so by phone. The public may call 434-971-1299 on August 12th between the hours of 3p.m. and 5p.m.

Telephone comments are limited to 10 minutes and must address the agency's ability to comply with CALEA's standards. A copy of the standards is available at the ECC. Local contact is Deborah Wade, 434-971-1022.

Persons wishing to offer written comments about the Charlottesville/UVA/Albemarle County ECC's ability to meet the standards for accreditation are requested to write: Commission on Accreditation for Law Enforcement Agencies, Inc.
