

# SUPERSTAR<sup>★</sup>STARTERS SPORTS

## Tennis Camps (Boys & Girls ages 5-12)

Be a “SuperStarter” this Summer! Dr. E’s SuperStarters Tennis Camps provide a super start to tennis! Each day combines tennis instruction with life skills and teambuilding activities to help kids be better teammates on and off the court! The camps focus on the triple impact skills of: **TENNIS** (strokes, rallying and playing), **MOTOR & MOVEMENT** (hand-eye coordination, footwork, movement, balance) & **TEAM** (making friends, communication & listening, being positive and supportive, working together, focus, concentration, and being healthy). Each day consists of both tennis practices and “team time” so kids are always using their hands, feet, eyes or mind.

*All Camps Monday thru Thursday, (with Friday as a Rain Make-up if needed)*
