## Tennis Camps for Girls!

### SuperStarters Girls Tennis Clubs!

Girls Tennis Clubs offer tennis instruction (using USTA Net Generation methodology) and fun, healthy living activities for girls, ages 5-12. We focus on building skills & self-esteem through daily tennis practices and “girl power” activities. “Girl power” activities include writing, reading, creating collages & arts & craft projects, or other activities to promote self-esteem. Our goal is to help girls feel more competent, connected and confident! **(Playbook & snack included)**

*Note: All Camps Monday thru Thursday, (with Friday as a Rain Make-up if needed)*
