TOURISM FUND

DESCRIPTION

The Tourism Fund was established in FY 97/98 for the purpose of funding tourism-related programs from revenue derived primarily from an additional 3% rate in the County's transient occupancy (hotel/motel or lodging) tax. Virginia's counties, by general law, have been limited to levying a maximum transient occupancy tax rate of 2%. However, in 1996 the General Assembly enacted legislation that allowed Albemarle County and several other counties to levy a transient occupancy tax of up to a maximum rate of 5%. The legislation required that the additional revenue from the additional 3% rate may be used only for projects and expenditures that promote tourism, travel, or business that generates tourism or travel in the locality.

METRO PLANNING GRANT

DESCRIPTION

The Metro Planning Grant provides funding support for the County's participation in the Metropolitan Planning Organization (MPO). The purpose of the MPO is to provide a forum for cooperative transportation decision-making among the City, County, and VDOT officials. The local governments of Charlottesville and Albemarle established the MPO in response to a federal mandate through memorandum of understanding with the Thomas Jefferson Planning District Commission.

The MPO conducts transportation studies and ongoing planning activities, including an annual Transportation Improvement Program which lists road and transit improvements approved for federal funding, and the 20-year *Charlottesville-Albemarle Regional Transportation Plan* (CHART), which is updated every five years. The CHART is typically adopted into the County's Comprehensive Plan as the County's Transportation Plan.

UNITED WAY CHILD CARE SCHOLARSHIP FUND

DESCRIPTION

The United Way Child Care Scholarship Fund is an agreement entered into between the County of Albemarle, the City of Charlottesville, and the United Way - Thomas Jefferson Area to provide child care scholarships and administration. Child day care services shall be provided to income eligible families at 160% of Federal Poverty Level with children who need day care and who are under age 13 or children up to 18 years of age if they are physically or mentally incapable of caring for themselves or subject to court supervision. Families may choose among the three major types of child day care: child day care centers, family day care homes, and in-home child day care providers. Eligibility shall be determined, verified and appropriate referrals made to community agencies if necessary to assist the family with appropriate child care arrangements. Albemarle DSS and Charlottesville DSS, in conjunction with United Way - Thomas Jefferson Area have developed a process to monitor this agreement via a combination of reviews of client cases, provider files, and financial records.

The program is expected to experience a significant cut in the Federal pass-through revenues beginning in FY 06/07. Per the Virginia Department of Social Services, FY 07/08 revenues are expected to be less than FY 06/07, with the potential for no funding. There is a request going forward to the General Assembly to provide some funds for FY 07/08; however, no information is yet available. The budgeted FY 07/08 Federal pass-through funds are shown as a placeholder in the event that funds are available either as Federal pass-through or by the General Assembly.
