Local zoning regulations are independent of local taxation laws. While zoning permit may allow a farm business to conduct multiple lines of businesses with one permit, business tax regulations require a separate business license for each line of business, even if all lines of businesses are operating at the same location.

Farm Businesses

DEFINITION OF A FARM BUSINESS

What is a Farm Business?

A 'Farm' is a person or entity that produces domestic products or nursery products, ornamental or otherwise, or exists for the planting of nursery products, as an incident to the sale thereof, outside of the regular market houses and sheds of such County, provided such products are grown and produced by the person offering them for sale.

BUSINESS, PROFESSIONAL, & OCCUPATIONAL LICENSE (BPOL)

When is a Farm Business exempt from the Business License tax?

The gross receipts from the sale of farm or domestic products that are grown, manufactured, or produced by or from the farm offering for retail sale, whether sold at the farm or not are tax exempt.

When is a Farm Business NOT exempt from the Business License tax?

The gross receipts from sale of products not grown or produced by the farm offering for sale. Also, gross receipts from business activities unrelated to farming, such as, but not limited to, social functions, bed & breakfast, equestrian related services, etc. are taxable.

What is the Business License tax based on?

Business License taxes and/or fees are based on the type of business and actual or estimated gross receipts. For a list of current tax rates for Business License taxes, see Albemarle County Code, Chapter 8.

In what circumstance is a business exempt from obtaining a business license?

Businesses with gross receipts of \$25,000 or less per year are generally exempt from paying a fee to obtain a business license however an application should be filed with the Department of Finance and Budget.

How often and when does a Business License have to be renewed?

Business Licenses must be renewed annually by March 1st each year.

When starting a new business, what are the requirements and the timeline to apply for a Business License?

New businesses are required to make an estimate of gross receipts and file a NEW Business Application within 30 days of beginning the business.

When are Business License tax payments due?

For gross receipts greater than \$25,000 and less than \$100,000 the \$50 fee is due by March 1st. For gross receipts of \$100,000 and over payment is due by June 15th.

What is the late filing and late payment penalty?

A 10% penalty of the tax is imposed upon the failure to file the application by March 1st of within 30 days of starting the business. A 10% penalty of the tax is imposed upon the failure to pay the license tax or the license fee by the

BUSINESS TANGIBLE PERSONAL

When is Business Tangible Personal Property (BTTP) tax exempt for a farm business?
