1. RFP Response: In order to be considered for selection, offerors must submit a complete response to this RFP. One (1) original and four (4) copies of each proposal along with an electronic copy of the proposal on a flash drive either in Microsoft Word or PDF format must be submitted to the County as a complete sealed proposal. No other distribution of the proposal shall be made to the offeror.
2. Redacted Copies: In addition to the copies of the RFP Response specified above, proposals must include, in both one (1) hard copy and also included on the electronic media, a redacted copy of the proposal in accordance with the identified proprietary or confidential information, as determined by the Offeror. The redacted proposal, with proprietary language or data removed or blacked out, will be made available to the public in accordance with § 2.2-4342F of the Code of Virginia in response to requests for documents. It shall be the sole responsibility of the Offeror to ensure the supplied, redacted copy protects the firm’s interests with regards to proprietary or confidential information that, in accordance with § 2.2-4342F of the Code of Virginia may be considered protected information.

No other distribution of the proposal shall be made by the offeror.

3. Proposal Preparation:
   
a. Proposals shall be signed by an authorized representative of the offeror. All information requested should be submitted. Failure to submit all information requested may result in the County of Albemarle requiring prompt submission of missing information and/or giving a lowered evaluation of the proposal. Proposals which are substantially incomplete, or lack key information may be rejected by the County. Mandatory requirements are those required by law or regulation or are such that they cannot be waived and are not subject to negotiation.

b. Proposals should be prepared simply and economically, providing a straightforward, concise description of capabilities to satisfy the requirements of the RFP. Emphasis should be placed on completeness and clarity of content.

c. Proposals should be organized in the order in which the requirements are presented in the RFP. All pages of the proposal should be numbered. Each paragraph in the proposal should reference the paragraph number of the corresponding section of the RFP. It is also helpful to cite the paragraph number, subletter, and repeat the text of the requirement as it appears in the RFP. If a response covers more than one page, the paragraph number and subletter should be repeated at the top of the next page. The proposal should contain a table of contents which cross-references the RFP requirements. Information which the offeror desires to present that does not fall within any of the requirements of the RFP should be inserted at an appropriate place or be attached at the end of the proposal and designated as additional material. Proposals that are not organized in this manner risk elimination from consideration if the evaluators are unable to find where the RFP requirements are specifically addressed.

d. As used in this RFP, the terms "must", "shall", "should" and “may” identify the criticality of requirements. "Must" and "shall" identify requirements whose absence will have a major negative impact on the suitability of the proposed solution. Items labeled as "should" or “may” are highly desirable, although their absence will not have a large impact and would be useful but are not necessary. Depending on the overall response to the RFP, some individual "must" and "shall" items may not be fully satisfied, but it is the intent to satisfy most, if not all, "must" and "shall" requirements. The inability of an Offeror to satisfy a "must" or "shall" requirement does not automatically remove that Offeror from consideration; however, it may seriously affect the overall rating of the Offerors’ proposal.

e. Each copy of the proposal should be bound or contained in a single volume where practical. All documentation submitted with the proposal should be contained in that single volume.

f. Ownership of all data, materials, and documentation originated and prepared for the County pursuant to the RFP shall belong exclusively to the County and be subject to public inspection in accordance with the Virginia Freedom of Information Act. Trade secrets or proprietary information submitted by an offeror shall not be subject to public disclosure under the Virginia Freedom of Information Act; however, the offeror must invoke the protections of Virginia Code § 2.2-4342(F), in writing, either before or at the time the data or other material is submitted. The written notice must specifically identify the data or materials to be protected and state the reasons why protection is necessary. The proprietary or trade secret material submitted must be identified by some distinct method such as highlighting or underlining and must indicate only the specific words, figures, or paragraphs that
constitute trade secret or proprietary information. The classification of an entire proposal document, line item prices, and/or total proposal prices as proprietary or trade secrets is not acceptable.

g. All costs of proposal preparation and presentation shall be borne by each offeror. The School Board is not liable for any cost incurred by the offeror prior to issuance of a contract.

4. Oral Presentation: Offerors who submit a proposal in response to this RFP may be required to give an oral presentation of their proposal to the School Board. This provides an opportunity for the offeror to clarify or elaborate on the proposal. This is a fact-finding and explanation session only and does not include negotiation. The School Board will schedule the time and location of these presentations. Oral presentations are an option of the School Board and may or may not be conducted.

If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the contract on the basis of the recipients religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (Virginia Code § 2.2-4343.1(E)).

Every contract over $10,000 shall include the provisions:
1. During the performance of this contract, the contractor agrees as follows:
   A. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability or any other basis prohibited by law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
   B. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor shall state that it is an equal opportunity employer.
   C. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting these requirements.

2. The contractor will include the provisions of No. 1 above in every subcontract or purchase order over $10,000, so that the provision will be binding upon each subcontractor or vendor.

EE. If the award of this contract is made to a faith-based organization and an individual, who applies for or receives goods, services, or disbursements provided pursuant to this contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.

Also, all contractors and subcontractors shall be held responsible for the safety of their employees and any unsafe acts or conditions that may cause injury or damage to any persons or property within and around the work site area under this contract.

JJ. OWNERSHIP OF DOCUMENTS: All information, documents, and electronic media furnished by the County to the Contractor belong to the County, are furnished solely for use in connection with the Contractor’s performance of Services required by this Agreement, and shall not be used by the Contractor on any other project or in connection with any other person or entity, unless disclosure or use thereof in connection with any matter other than Services rendered to the County hereunder is specifically authorized in writing by the County in advance. All documents or electronic media prepared by or on behalf of the Contractor for the County are the sole property of the County, free of any retention rights of the Contractor. The Contractor hereby grants to the County an unconditional right of use, for any purpose whatsoever, documents or electronic media prepared by or on behalf of the Contractor pursuant to this Agreement, free of any copyright claims, trade secrets, or any other proprietary rights with respect to such documents.

KK. PAYMENT:
   a. To Prime Contractor:
1. The County shall promptly pay for completed delivered goods or services by the required payment date. The required payment date shall be either: (i) the date on which payment is due under the terms of a contract for the provision of goods or services, or (ii) if a date is not established by contract, not more than 45 days after goods or services are received or not more than 45 days after an invoice is rendered, whichever is later. Separate payment dates may be specified for contracts under which goods or services are provided in a series of partial executions or deliveries to the extent that the contract provides for separate payment for partial execution or delivery. Within 20 days after the receipt of an invoice for goods or services, the County shall notify the supplier of any defect or impropriety that would prevent payment by the required payment date. In the event that the County fails to make payment by the require payment date, the County shall pay any finance charges assessed by the supplier that shall not exceed one percent per month. In cases where payment is made by mail, the date of postmark shall be deemed to be the date payment is made.

2. Individual contractors shall provide their social security numbers, and proprietorships, partnerships, and corporations shall provide the County with a federal employer identification number, prior to receiving any payment from the County.

3. Invoices for items ordered, delivered and accepted shall be submitted by the contractor directly to the payment address shown on the purchase order/contract. All Invoices shall show the County contract number and/or purchase order number.

4. All goods or services provided under this contract or purchase order, that are to be paid for with public funds shall be billed by the contractor at the contract price, regardless of which County department is being billed.

5. **Unreasonable Charges.** Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the County shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve any County department of its prompt payment obligations with respect to those charges which are not in dispute (Virginia Code § 2.2-4363).

b. To Subcontractors:

1. A contractor awarded a contract under this solicitation is hereby obligated:

   i. To pay the subcontractor(s) within seven (7) days of the contractor’s receipt of payment from the County for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or

   ii. To notify the County and the subcontractor(s), in writing, of the contractor’s intention to withhold payment and the reason.

2. The contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the contract) on all amounts owed by the contractor that remain unpaid seven (7) days following receipt of payment from the County, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. A contractor’s obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the County.

LL. **PERMITS AND FEES:** All offers submitted shall have included in price, the cost of any business or professional licenses, permits or fees required by the County of Albemarle or the Commonwealth of Virginia. The offeror must have all necessary licenses to perform the services in Virginia and, if practicing as a corporation, be authorized to do business in the Commonwealth of Virginia.

Any offeror, upon request, shall be afforded the opportunity to inspect bid or proposal records within a reasonable time after the opening of all bids but prior to award, except in the event the County decides not to accept any of the offers and to reopen the solicitation. Otherwise, bid or proposal records shall be open to public inspection only after award of the contract. Trade secrets or proprietary information submitted by a offeror in connection with this procurement transaction shall not be subject to the Virginia Freedom of Information Act, but only if the offeror (i) invokes the protections of Virginia Code § 2.2-4342 prior to or upon submission of the data or other materials; (ii) identifies the specific data or other materials to be protected, and (iii) states the reasons why protection is necessary. A general designation of a contractor’s entire bid or proposal submission or volume as being “confidential” shall not be sufficient to invoke the protections referenced above.

OO. QUALIFICATIONS OF OFFERORS: The County may make such reasonable investigations as deemed proper and necessary to determine the ability of the Offeror to perform the services/furnish the goods and the Offeror shall furnish to the County all such information and data for this purpose as may be requested. The County reserves the right to inspect Offeror’s physical facilities prior to award to satisfy questions regarding the Offeror’s capabilities. The County further reserves the right to reject any offer if the evidence submitted by, or investigations of, such Offeror fails to satisfy the County that such Offeror is properly qualified to carry out the obligations of the contract and to provide the services and/or furnish the goods contemplated therein.

PP. RIGHT TO ACCEPT OR REJECT OFFERS: The County reserves the right to accept or reject any or all offers in whole or in part and to waive any informality in the offer. Informality shall be defined as a minor defect or variation from the exact requirements which does not affect the price, quality, quantity or delivery schedule.

QQ. SMALL BUSINESS SUBCONTRACTING AND EVIDENCE OF COMPLIANCE: It is the policy of the County of Albemarle to facilitate the establishment, preservation and strengthening of small businesses and businesses owned by women and minorities and service disabled veterans and to encourage their participation in the County's procurement activities. Any Offeror that is not required to be authorized to transact business in the Commonwealth as a foreign business entity under Title 13.1 or Title 50 or as otherwise required by law is required to include in its bid or proposal a statement describing why the Offeror is not required to be so authorized. V. USE OF BRAND NAMES: Unless otherwise provided in this solicitation, the name of a certain brand, make or manufacturer does not restrict offerors to the specific brand, make or manufacturer named, but conveys the general style, type, character, and quality of the article desired. Any article which the County, in its sole discretion, determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. The offeror is responsible to clearly and specifically identify the product being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable the County to determine if the product offered meets the requirements of the solicitation. This is required even if offering the exact brand, make or manufacturer specified. Normally in competitive sealed bidding only the information furnished with the bid will be considered in the evaluation. Failure to furnish adequate data for evaluation purposes may result in declaring a bid nonresponsive. Unless the offeror clearly indicates in its bid or proposal that the product offered is an equal product, such offer will be considered to offer the brand name product referenced in the solicitation.

W. VIRGINIA GOVERNMENTAL FRAUDS ACT: Each offeror is and shall be subject to the provisions of the Virginia Governmental Frauds Act, Virginia Code, Title 18.2, Chapter 12, Article 1.1. In compliance with this law, each offeror is required to submit a certification that its offer, or any claim resulting therefrom, is not the result of, or affected by, any act of collusion with another person engaged in the same line of business or commerce, or any act of fraud punishable under the Act. 16. **Termination with Cause:** In the event that Contractor shall for any reason or through any cause be in default of the terms of this Agreement, the School Board may give Contractor written notice of such default by certified mail/return receipt requested at the address set forth in Section 20 herein. Unless otherwise provided, Contractor shall have ten (10) days from the date such notice is mailed in which to cure the default. 17. **Termination without Cause:** The School Board may at any time, and for any reason, terminate this Agreement by written notice to Contractor specifying the termination date, which shall be not less than thirty (30) days from the date such notice is mailed. In the event of such termination, Contractor shall be paid such amount as shall compensate Contractor for the work satisfactorily completed, and accepted by School Board, at the time of termination. If School Board terminates

Contractor agrees to indemnify and hold harmless the School Board and its agents, volunteers, servants, employees, and officials from and against any and all claims, losses, or expenses, including reasonable attorney’s fees and litigation expenses suffered by any indemnified party or entity as the result of claims or suits due to, arising out of or in connection with (a) any and all such damages, real or alleged, (b) the violation of any law applicable to this Agreement, and (c) the performance of the work by Contractor or those for whom Contractor is legally liable. expressly as Exhibits to this Agreement constitute the entire agreement between the Parties. This Agreement supersedes all prior written or oral agreements or proposals between the parties, regarding the subject matter of this Agreement. This Agreement may not be modified except in a writing signed by both parties that is expressly stated to be an amendment hereto.

22. **Independent Contractor:** Contractor shall agree and covenant that it is and shall be at all times, an independent contractor and, as such, shall have and maintain complete control over all of its employees and operations. Neither the Contractor nor anyone employed by it shall be, represent, act, purport to act, or be deemed to be an agent, representative, employee or servant of the School Board. Nothing in this section shall be deemed to absolve or otherwise limit the Contractor’s liability and responsibility to safely and correctly perform its duties under this Agreement.

23. **Waiver:** No failure of School Board to exercise any right or power given to it by law or by this Agreement or to insist upon strict compliance by Contractor with any of the provisions of this Agreement, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of the School Board’s right to demand strict compliance with the terms of this Agreement.

24. **Interpretation:** Whenever the context hereof shall require, the singular shall include the plural, the plural the singular, and the use of any gender shall be applicable to all genders.

25. **Severability:** The provisions of this Agreement shall be deemed to be severable, and should any one or more of such provisions be declared or adjudged to be invalid or unenforceable, the remaining provisions shall be unaffected thereby and shall remain in full force and effect.

26. **Cooperative Procurement:** This Agreement was awarded in accordance with Section 2.2-4304 of the Virginia Public Procurement Act (VPPA), and in accordance with the Purchasing Manual of Albemarle County and the School Board. The procurement was conducted on behalf of the School Board and other public bodies. Therefore, pursuant to Code Section 2.2-4304, other public bodies and agencies shall have the right to utilize the provisions of the Agreement. However, when other public bodies and agencies utilize the contract, Contractor must establish a separate contractual relationship between it and the other party. Under no circumstances shall the School Board be a party to or incur any obligations or responsibilities, contractual or otherwise, in association with these contractual agreements between the Contractor and another public body or agency.

27. **Contract Claims by Contractor:** Prompt knowledge by the School Board of an existing or impending claim for damages or other relief may alter the plans, scheduling, or other action of the School Board and/or result in mitigation or elimination of the effects of the claim. Therefore, a written statement providing the School Board with notice of the Contractor’s intention to file a claim which (i) describes the act or omission by the School Board or its agents that the Contractor contends caused it damages or entitles it to other relief; and (ii) provides a description of the nature and amount of the claim. Such written statement shall be submitted to the Purchasing Office of the Albemarle County Department of Finance within 20 days of the time of the occurrence or beginning of the work upon which the claim is based; provided, however, if such damage is deemed certain in the opinion of the Contractor to result from its acting on an order from the School Board, it shall immediately take written exception to the order. For purposes of this provision, “claim” shall include, without limitation, any request for an increase in the Agreement price or time and any request for equitable adjustment. Submission of a notice of claim as specified shall be mandatory, and failure to submit such notice shall be a conclusive waiver to such claim for damages or other relief by the Contractor. Neither an oral notice or statement, nor an untimely notice or statement will be sufficient to satisfy the requirements herein. The School Board will review the claim and render a final decision in writing within thirty (30) days of receipt of Contractor’s written request for a final decision. Such decision shall be final and binding to the fullest extent allowed by law.
28. **Claims for Extra Compensation:** If Contractor encounters work and services not included in this Agreement or any supplement thereto but which in the opinion of Contractor is necessary for the successful completion of the Agreement and requires extra compensation, Contractor shall, before it begins the work on which it bases its claim, promptly notify the Purchasing Office of the Albemarle County Department of Finance in writing of its intention to perform the work and to make claim for extra compensation. Notification by Contractor under the terms of this paragraph shall not be construed as proving the validity of the claim. No claim for extra compensation will be filed or considered unless notification is given as herein set forth. Upon notification, the School Board shall promptly review any claim for extra compensation. If a claim is accepted by the School Board, it shall be paid as extra work in accordance with the terms of a supplemental agreement executed by the parties before such work is begun. The amounts claimed as extra compensation by Contractor shall be separately itemized, become a part of the claim, and serve as documentation thereto. The amounts itemized shall be in sufficient detail to enable the School Board to analyze the need for the extra work and the costs claimed for the work.

29. **Payments to Subcontractors:** In accordance with Virginia Code Section 2.2-4354 of the Virginia Public Procurement Act, the Contractor shall make payment to all subcontractors, as defined in the Code, within seven (7) days after receipt of payment from the School Board; or, shall notify the School Board and the subcontractor in writing of the intention to withhold all or part of the amount due with the reason for nonpayment. In the event payment is not made as noted, the Contractor shall pay interest at the rate of one percent (1%) per month unless otherwise provided in the contract to the subcontractor on all amounts that remain unpaid after seven (7) days except for the amounts withheld as provided herein. These same requirements shall be included in each subcontract and shall be applicable to each lower-tier subcontractor. The Contractor shall provide the School Board with its social security number or federal taxpayer identification number prior to any payment being made under this Agreement.

30. **Insurance:** Contractor agrees to secure and maintain in full force and effect at all times during the term of this Agreement, the following policies of insurance: (Subject to change depending on the solicitation)

   D. Errors and Omissions (Professional Liability) Insurance at limits not less than one million dollars ($1,000,000). [NOTE: Delete if not needed.]

All policies of insurance required herein shall be written by insurance companies licensed to conduct the business of insurance in Virginia and acceptable to the School Board, and shall carry the provision that the insurance will not be cancelled or materially modified without thirty days (30) prior written notice to the School Board. In certain cases, where coverage is unavailable through licensed carriers, certificates of insurance written by a Surplus Lines Carrier authorized by the Virginia State Corporation Commission to transact the business of insurance in Virginia and acceptable to the School Board may be approved. Contractor shall furnish the School Board with certificate of insurance showing Contractor’s compliance with the foregoing requirements.

For all insurance coverage except Workers’ Compensation and Professional Liability, the School Board and its officers, employees, agents and volunteers must be named as additional insureds and shall be so endorsed to the policy or policies.

31. **Payment/Performance Bonds:** Contractor shall furnish to the School Board a payment bond and a
performance bond in conformity with Va. Code § 2.2-4337 and/or 2.2-4339 [choose one-then delete this note] each payable to the School Board and each in the sum of the Agreement amount. The performance bond shall be conditioned upon the faithful performance of the Agreement in strict conformity with the terms and conditions of the Agreement, and the payment bond shall be conditioned upon the prompt payment for all such material furnished or labor supplied or performed in the prosecution of the work. Each of the bonds shall be executed by one or more surety companies selected by Contractor which are licensed and legally authorized to conduct the business of insurance, including surety, within the Commonwealth of Virginia.

32. School Contractor Certification: Pursuant to Virginia Code Section 22.1-296.1, Contractor and agrees and certifies by his signature below that any and all persons who will provide services for or on behalf of the Contractor on public school property have not been convicted of a felony; any offense involving the sexual molestation, physical or sexual abuse or rape of a child; or any offense for which registration is required as defined in Virginia Code Section 9.1-902. Contractor hereby agrees that this Certification shall be binding throughout the contract term and that it will provide immediate notice to the County of Albemarle and the Albemarle County School Board of any event that renders this certification untrue.

Contractor hereby acknowledges that any person making a materially false statement regarding any such offense shall be guilty of a class 1 misdemeanor and, upon conviction, the fact of such conviction shall be grounds for the revocation of this Agreement and, when relevant, the revocation of any license required to provide such services.
