      LOCATION: 5658 St. George Ave.
      PROPOSAL: Potentially rezone property to increase the number of units allowed by-right with a design, which requires a private road and non-standard alley construction
      PETITION: Potentially rezone 5.52 acres from R2 Residential Zoning District, which allows residential uses at a density of 2 units per acre to a different district, which allows density at 4 units per acre. A maximum of 17 units is being considered for a gross density of 3 units per acre.
      Proposed density of the project, based on the Master Plan (net density), is 3.76 units per acre.
      COMPREHENSIVE PLAN: Property is in the Crozet Development Area. Master Plan shows uses as Neighborhood Density Residential (3-6 units /acre) and supporting uses such as religious institutions, schools and other small-scale non-residential uses and Greenspace, which allows public parks, open space, environmental features. Allowable density according to the Crozet Master Plan is between 12 and 24 units.
